card instructions

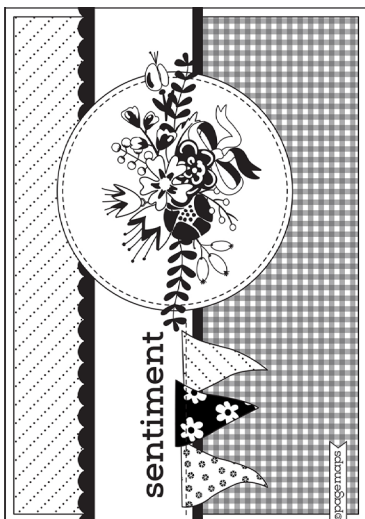

- 1 Make a 5.25"x3.75" card base from pink cardstock with the opening on the bottom.
- 2 Trim a 5"x3.5" piece of floral patterned paper and adhere it to the center of the card base.
- 3 Trim a 5"x1" piece from pink stripe paper and adhere to the bottom of the floral paper piece.
- 4 Trim a 5"x1.25" piece from newsprint patterned paper. Cut a 5" length of white trim. Adhere trim to the backside, top edge of the newsprint piece. Adhere assembled piece across the center of the card as shown.
- 5 Remove a label sticker from the sticker sheet. Adhere an "I love you" sentiment sticker to the center of the label sticker. Adhere the sentiment piece to the left side of the newsprint piece, centered top to bottom, using a stapler.
- 6 Using vellum die cuts, cardstock die cuts and a sticker, create a banner of small hearts below the sentiment piece. Hand-stitch in place.
- 7 Adhere large chipboard heart to the right side of the card. Layer heart with chipboard flower as shown. Using dimensional adhesive, adhere vellum die cut flower over chipboard flower, slightly off center to the right.
- 8 Embellish card with sequins as shown.
