Trim a 4.25"x5.5" piece of kraft patterned paper (Let's Ride). Adhere to the card base.

Trim a 4" square piece of red/white dot paper. Center right to left and adhere approximately .125" from the top of the card.

Using a black journaling pen, add faux stitching around the perimeter of the red/white dot piece.

Trim a 4"x1.25" piece of black/white diagonal stripe paper. Adhere below the dot paper.

Trim a 3"x1" piece of yellow chevron paper. Adhere it to the card approximately .75" from the bottom edge and flush with the right edge.

Randomly stamp an abstract pattern across a manila tag as desired.

Using a .25" circle punch, punch half circle notches on the right and left edges of the tag, 1.25" below the top edge of the tag. Adhere the tag to the card, .5" from the top edge and .75" in from the left edge.

Add small staples to the left and right edges of the tag at the half circle notches.

Trim a 4.25" x .75" piece of red ledger paper. Punch a scallop border along one long edge. Adhere scallop strip across the bottom of the tag from the left edge to the right edge.

Adhere balloon die cut to the right side of the tag with dimensional adhesive.

Cut a 3.5" length of filmstrip from the filmstrip patterned paper. Adhere filmstrip piece across the top of the red scalloped border strip, as shown, flush with the right edge of the red/white dot paper piece.

Cut a 3.75" x .75" piece of blue grid paper. Cut "v-notches" into the short ends to create a banner. Using black ink, stamp the birthday sentiment onto blue grid paper. Adhere the sentiment piece to the center of the filmstrip.

Adhere a red heart die cut to the top balloon and a black enamel dot to the heart.

Adhere a gold heart die cut to the bottom balloon and add a yellow enamel dot to the heart.

Add a blue enamel dot to the left of the balloon strings, above the sentiment.

Add "Say Cheese" sticker to the left edge of the tag, above the blue enamel dot.
