Week 3 Featured Card by Shellye McDaniel

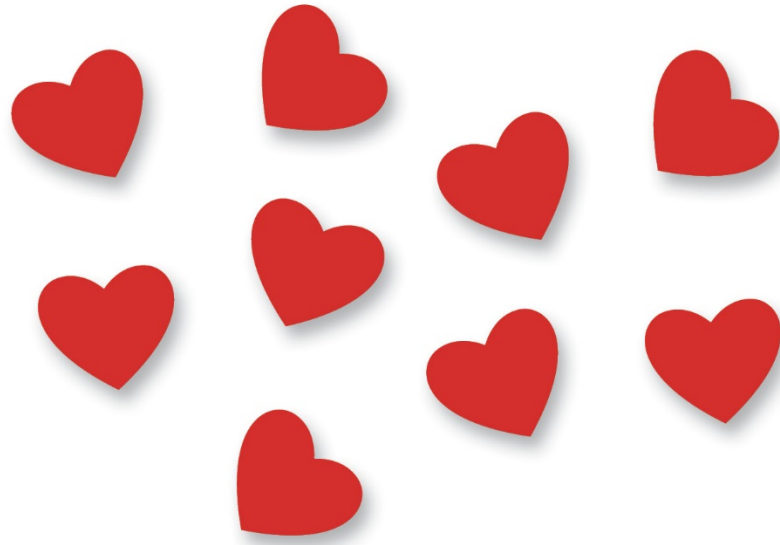

Make a 7"x5" card base from smooth white cardstock, with the opening on the bottom.

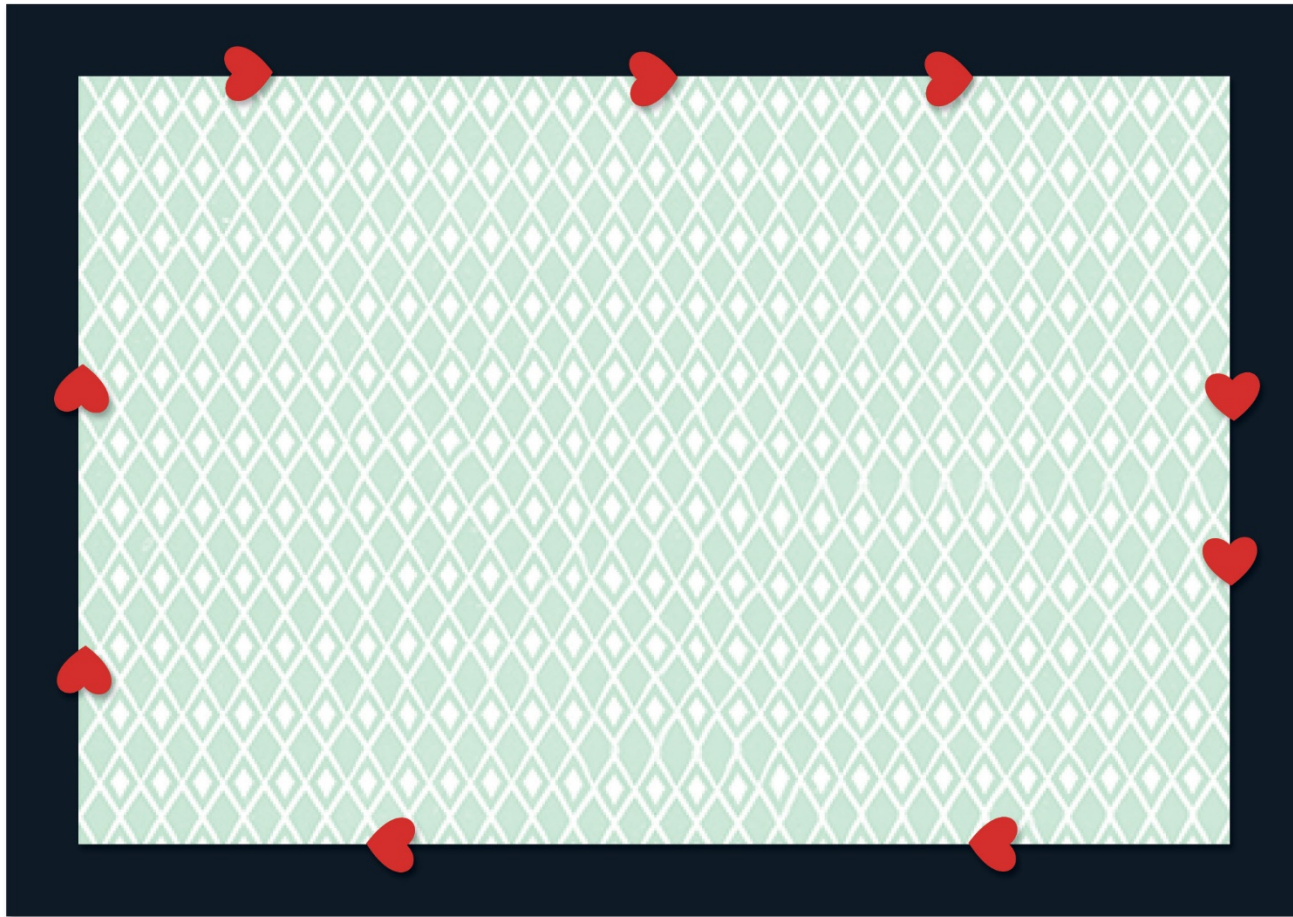

Trim a 6.75"x4.75" piece of dark blue cardstock.

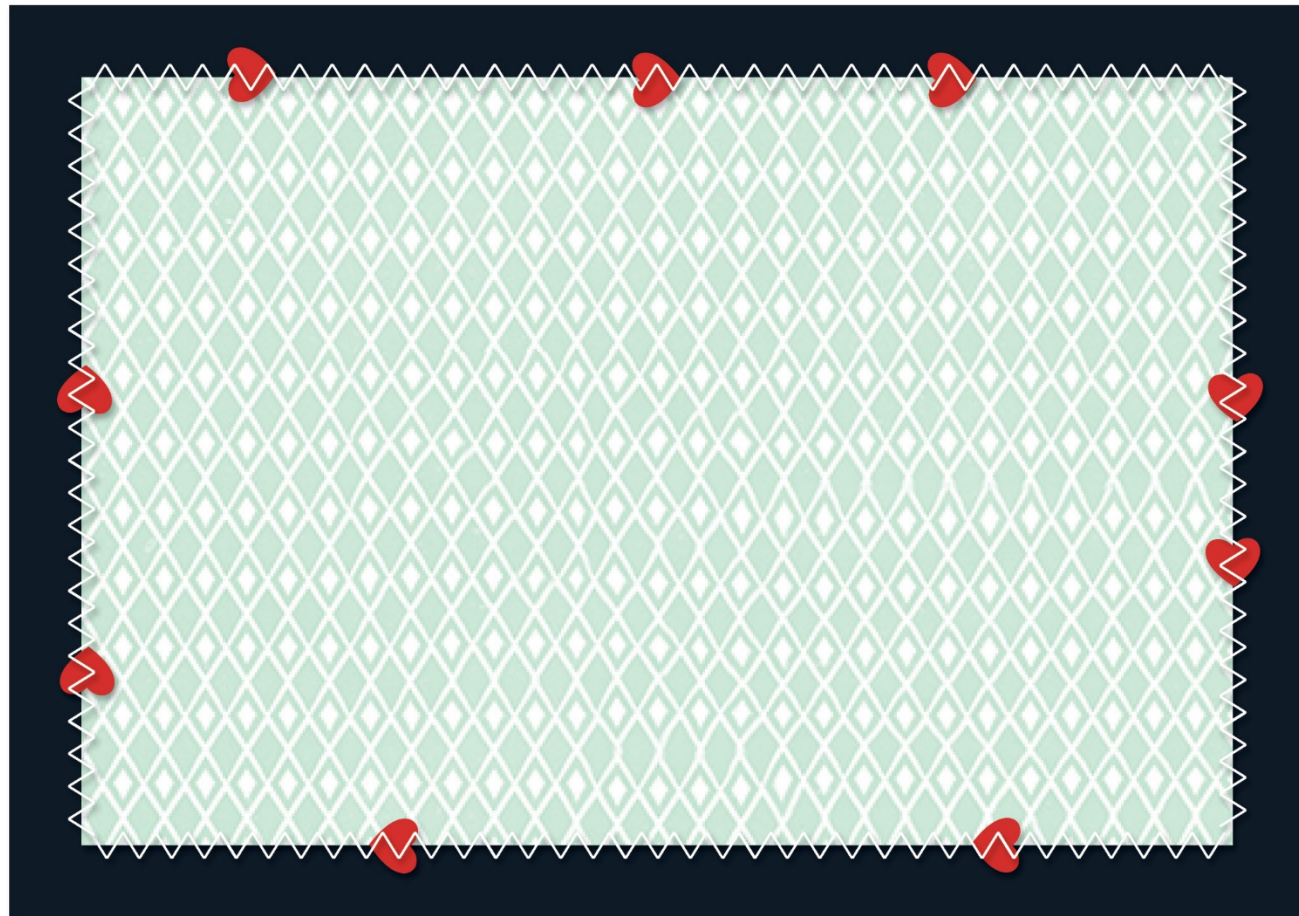

Trim a 6"x4" piece of light blue diamond paper. Center and adhere to the piece of blue cardstock.

Using a red piece of paper from the 6x6 paper pad and the top portion of the ice cream cone die, die cut nine mini hearts. You can also use a mini heart paper punch.

Attach the hearts along the border between the blue cardstock and the light blue diamond papers with a glue pen.

Machine-stitch a zig-zag pattern along the same border and across the mini hearts.

Adhere the piece to the center of the card base.

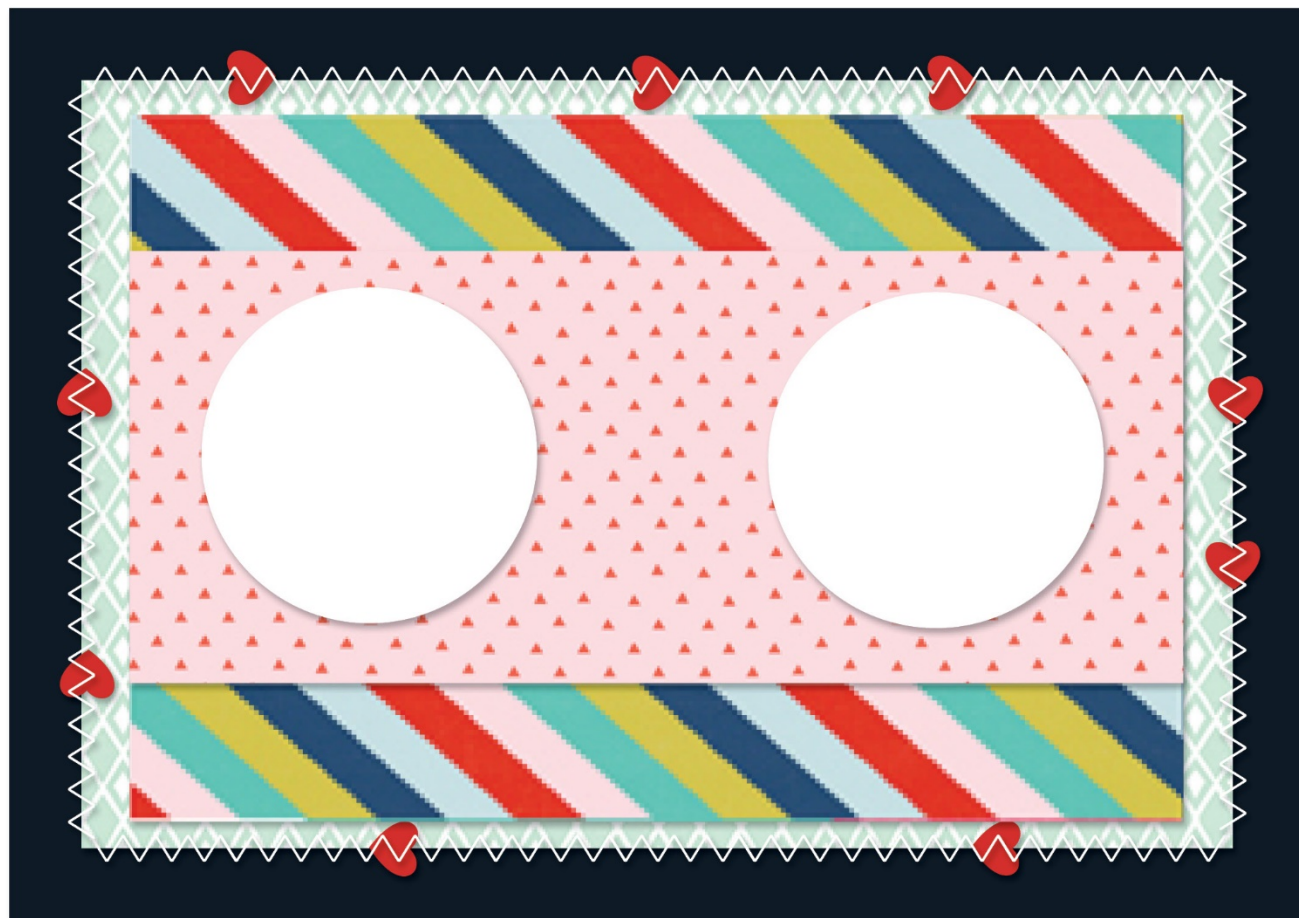

Trim a 5.5"x3.5" piece of multi-color diagonal stripe paper (found on the journal card sheet).

Using foam adhesive, adhere it to the center of the blue diamond piece.

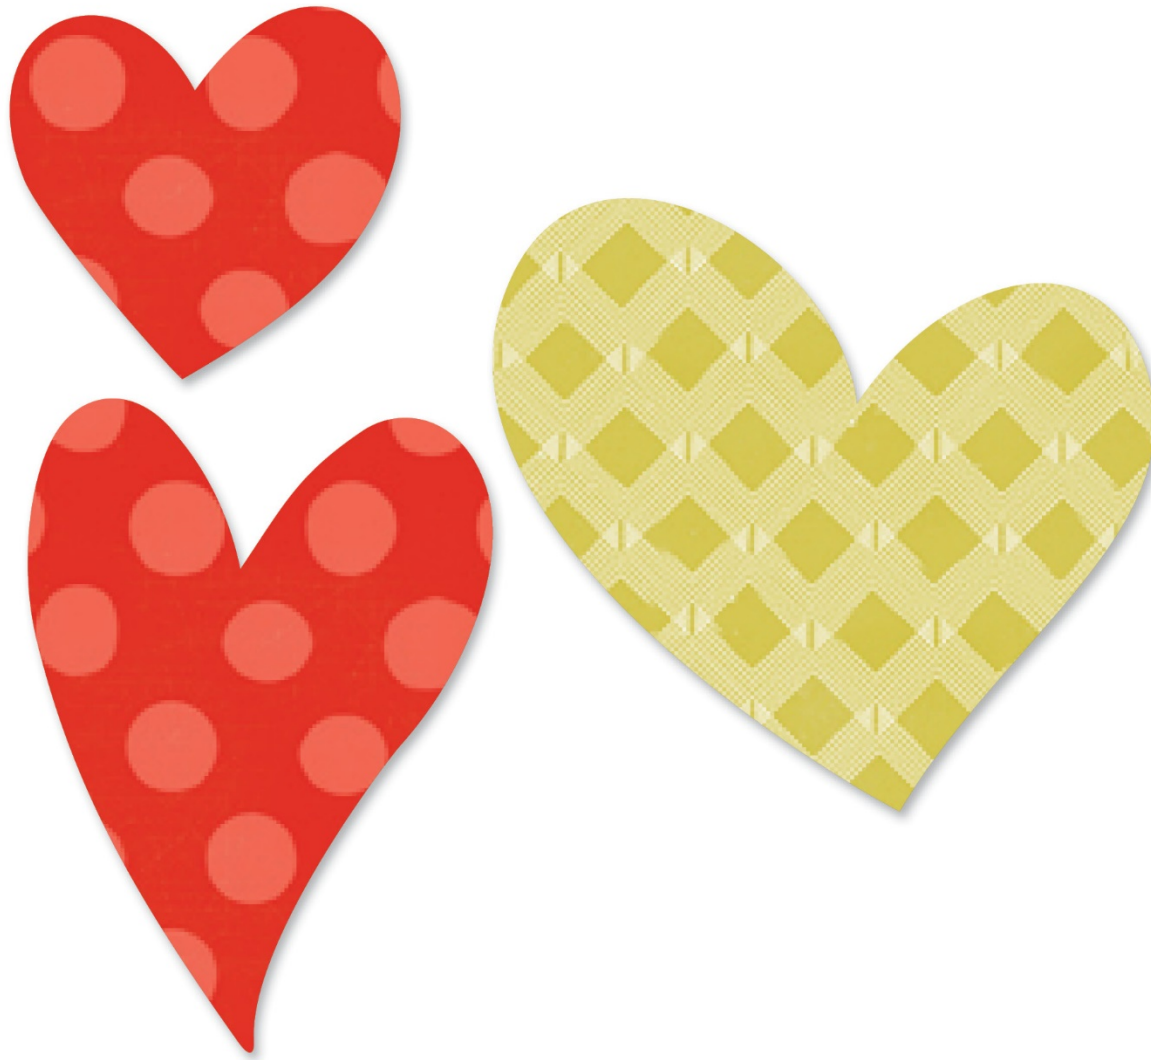

Trim a 5.5"x2" piece of red mini triangle paper. Adhere the mini triangle piece to the diagonal stripe piece, centered top to bottom and flush with the left and right edges.

Die cut two 1.75" circles from smooth white cardstock. Adhere the two smaller circles to the mini triangle piece, approximately 1.5" from the left and right edges.

Die cut one 2.5" scalloped circle. Using dimensional adhesive, adhere the scallop circle to the center of the mini triangle piece and slightly overlapping the two smaller circles.

Using the PMU exclusive cutting file, die cut a small and medium heart from red dotted paper. Die cut the largest heart from green diamond paper.

Arrange the hearts across the circles as shown and adhere.

Locate the chipboard butterfly sticker and adhere it to the bottom, left corner of the green heart.

Embellish the center of the butterfly with two green pearls.

Attach a sentiment sticker to the right of the butterfly sticker.
