Designer Notes:

- 1 Inking the edges of the component pieces is optional and should be done before assembling the card.

Instructions:

- 1 Trim a 4.25"x11" piece of dark brown cardstock. Follow the cut and score diagram on page 4 of these instructions to create a center step card base. Open the card and lay flat on your working surface
- 2 Trim two .75"x4.375" strips from Falling Leaves diagonal stripe, reversing the direction of the stripes on one piece. (Note: you'll want to cut each strip slightly smaller than .75" wide.)
- 3 Adhere each strip to the left and right .75" panels of the card base.
- 4 Trim a 4.125"x.875" strip from Falling Leaves multi leaf pattern. Adhere the strip horizontally to the bottom, front folded panel of the card.
- 5 Trim a 2.625"x4.375" piece of Falling leaves teal dot paper. Adhere it to the front center panel.
- 6 Fold up the card to the closed position.
- 7 Locate the bird cage on the sticker sheet. Apply baby powder to the back of the sticker.
- 8 Using foam adhesive, adhere the bird cage to the front, center panel.
- 9 Apply an orange pumpkin sticker to the bottom, right corner of the bird cage as shown.
- 10 Trim 16" of kraft thread. Wrap it around one finger and slide off. Apply the small bird sticker to the center of the wrapped thread to secure the thread from unraveling. Adhere the assembled bird to the top, right side of the bird cage using foam adhesive.
- 11 Punch or circle cut a 1.75" circle from orange cardstock.
- 12 Trim 24" of kraft thread. Wrap it around two fingers and slide it off. Apply the "give thanks" round circle sticker to the wrapped thread to secure the thread from unraveling. Adhere the assembled sticker to the bottom, left corner of the bird cage as shown.
- 13 Apply the white pumpkin sticker between the "give thanks" and orange pumpkin sticker.
- 14 Tuck small leaf stickers around the pumpkins as shown.
