## layout instructions

- Select two sheets of white 12x12 cardstock and Bella Blvd Freestyle Sophisticates Scallop patterned paper for the base of the layout.
- Trim .25" off of the top, bottom and one side of each sheet of Freestyle Sophisticates Scallop patterned paper. You should be left with two sheets of the Freestyle Sophisticates Scallop patterned paper measuring at 11.75"x11.5".
- Adhere one sheet of Freestyle Sophisticates Scallop patterned paper to a sheet of the white cardstock, lining up the right most edges of each paper, and leaving a .25" border along the remaining three sides.
- Repeat the previous step with the remaining sheet of cardstock and Freestyle Sophisticates Scallop patterned paper, this time lining up the left most edges of both pieces.
- Trim a 11.75"x 3.25" piece of the following papers: Basics Ash Dot (grey check), light pink cardstock, Love You More Blake (teal chevron), Basics Be-gonia Mini Dot (hot pink), Love You More Annie (aqua dot) and Basics Ash Mini Dot (grey mini dot).
- If desired, machine stitch along the vertical 11.75" sides of each piece of the aforementioned papers, excluding the light pink cardstock.
- Computer generate or handwrite journaling onto the 11.75"x3.75" light pink cardstock piece. Note: begin journaling at least 5" from the top of the cardstock piece, as shown, to leave space for later adding the title element.
- Starting with the left page, measure in approximately 1 3/8" from the left edge of the page and adhere the 11.75"x3.25" Basic Ash Dot (grey check) patterned paper.
- Leaving a .25" space adhere the next 11.75"x3.25" light pink cardstock paper strip.
- Again, leaving a .25" space adhere the Love You More Black (teal chevron) 11.75"x3.25" paper strip.
- Move to the right page to create the same col-umned background. Measure in .25" from the left most edge of the right page and adhere the Basics Mini Dot (hot pink) 11.75"x3.25" paper strip.
- Leaving a .25" space adhere the Love You More Annie (aqua dot) 11.75"x3.25" paper strip.
- And again, leaving a .25" space adhere the Basics Ash Mini Dot (grey mini dot) 11.75"x3.25" patterned paper strip.
- Arrange and adhere 10 2.5x3.5 color photos on the patterned paper columns as shown.
- Using Pagemaps 'On the Edge' Spellbinders dies diecut two 2.5" long mini scallop borders of the following cardstock colors: white, aqua, and light pink. In addition, diecut three 2.5" mini scallop borders of dark pink cardstock.
- Tuck and adhere the small scallop border pairs under the top most and bottom most horizontal edge of the photos in each patterned paper col-umn, as shown. Adhere the remaining dark pink scallop border piece along the left vertical edge of the light pink cardstock column, as shown.
- Trim a 4.5"x3" piece of white cardstock. Trim two of the corners along the 3" side, off at an angle resembling a tag.
- Punch a 1/8" circle of dark pink cardstock, adhere to top of tag and use a hole punch to punch through both the dark pink circle and tag.
- If desired, machine stitch with white thread, around the entire perimeter of the tag.
- Using a combination of clear stamps, ink a diecut-ting machine and Basics Ash Dot paper create title "Celebrating One" and stamp and adhere onto white, stitched tag.
- Thread a 6" piece of white string through the tag's hole and tie into a bow.
- Attach one silver and two small grey sequins to accent the title, as shown.
- Attach the tag above the journaling, on the light pink cardstock column on the left of the two page spread. Tilt tag on a slight up turned angle prior to adhering.
- Tear two pieces of decorative tape at approxi-mately 1.5" and 1.25" and layer under the top and bottom edges of the tag, as shown.
- Using Pagemaps "That's the Ticket" Spellbinders dies diecut two ticket style tags from white card-stock.
- Computer generate, hand journal and/or stamp a subtitle and phrase on each ticket style tag.

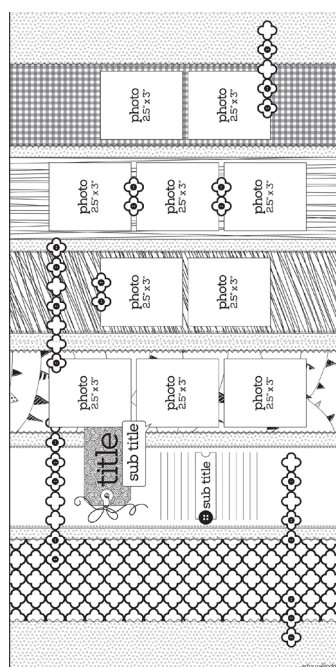

Thread and knot a 3" piece of string through each tag's hole. Accent the phrase stamped tag with one light pink and one small grey sequin.

- 27 Adhere the tag to the bottom right corner of the right page in the two page spread, as shown. Tilt tag on a slight up turned angle prior to adhering.
- 28 Tear a one inch piece of decorative tape and layer just underneath the tag.
- 29 Adhere remaining ticket style tag slightly overlapping the large title tag.

- 30 Gather light pink and silver sequins for embellishing. Line up and attach a horizontal length of sequins as shown in the photo. Be sure to leave spaces in the line of sequins, to accommodate for the size and number of buttons to be added.
- 31 If desired, machine stitch through each horizontal row of sequins to secure and decorate.
- 32 Attach and/or hand stitch grey, teal, and light pink buttons with string, among the rows of sequins, as a final embellishment.
