| 2 | 12" x .5" | 4 | 12" x 3.5" |

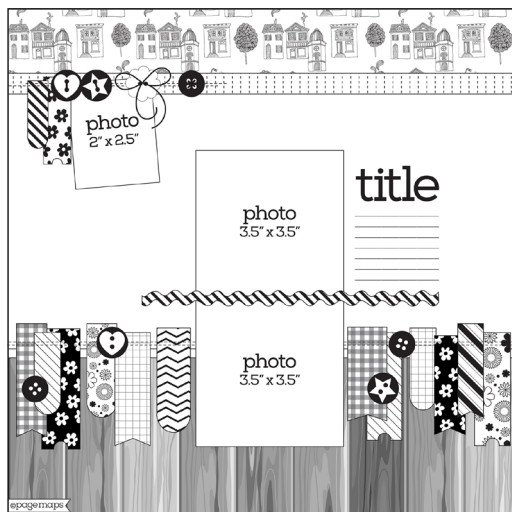

- 1 Locate a piece of white cardstock to serve as your layout base. Trim a 12"x2.5" piece from Crate Paper Flea Market Collectable (yellow/white diagonal stripe) patterned paper and adhere to the base, flush with the top edge.
- 2 Trim a 12"x5.25" piece from Dear Lizzy Polka Dot Party Magical Moments patterned paper. Adhere below the yellow/white diagonal stripe piece as shown.
- 3 Trim a 12"x4.5" piece from Dear Lizzy Polka Dot Party Wonderful Wrappings patterned paper (pink mist side). Adhere flush with the bottom edge of the layout base.
- 4 Trim a 12"x.75" strip from Dear Lizzy Polka Dot Party Cutesy Cupcakes (pink/gray stripe) patterned paper. Adhere to base, covering the seam between the Magical Moments and pink mist pieces on the bottom half of the page.
- 5 Locate the Dear Lizzy Polka Dot Party Fantastic Favor (journaling blocks) patterned paper. From it, trim the following: navy blue rectangular label, yellow rectangular label, pink flower label, blue mist block, and light green "very important" block. Trim the "very important" piece and another green dot piece, each to .75"x2.5". Trim the blue mist piece to 2"x3".
- 6 Locate the flower label piece. Trim off the pink border and cut a "v" into the white end, as shown, to create a banner.
- 7 Locate the Dear Lizzy Polka Dot Party Picture Perfect (cameras) patterned paper. Trim a 3.5"x1.25" piece with two full camera images showing.
- 8 Locate the Dear Lizzy Polka Dot Party Sparkling Stars (pink stars) patterned paper. Trim a 1"x3.75" piece. Cut a "v" into one end to create a banner.
- 9 Position one 4"x4" photo 5" from the left edge of the layout and flush with the top of the Magical Moments paper piece as shown. Adhere the other 4"x4" photo directly below the first.
- 10 Using an electronic die cutter and the Sparkling Stars (blue dot side) paper, create your title, sizing it to 2.6"x2". Adhere title to the right of the photos and directly above the paper seam as shown. Rub on the gold speech bubble directly above the title.
- 11 Wrap light blue string around the top of your photo four times and all the way around the page. Tie in a bow on the photo.
- 12 Layer and adhere blue rectangle label and the 'very important' paper piece from step 5 as shown. Add the small photo with a gold paperclip. Locate the postage stamp from the Crate Paper Flea Market ephemera pack and adhere with a staple as shown. Sew on two buttons, add gold dots and a wood veneer star.
- 13 Locate the two gold labels from the ephemera pack. Stamp labels with sayings that coordinate with your theme.
- 14 Print or hand-write journaling on the yellow rectangular label. Organize camera piece, butterfly strip, yellow journaling label, pink star strip, and the long gold label into a banner as shown. Adhere to page.
- 15 Locate the transparent gold "happy" tag from the ephemera pack and adhere with a staple at the top. Add paperclip to the pink butterfly strip.
- 16 On the right side of the page, below your title, layer the remaining banners (flower strip, small gold tag, light green polka dot strip and the navy strip) together and adhere as shown. Add the pink circle from the ephemera pack, a gold dot, a wood veneer star and a gold paper clip.
- 17 Using gold thread, add machine or hand-stitching as shown.
