YOU ARE AMAZING
by Nicole Nowosad

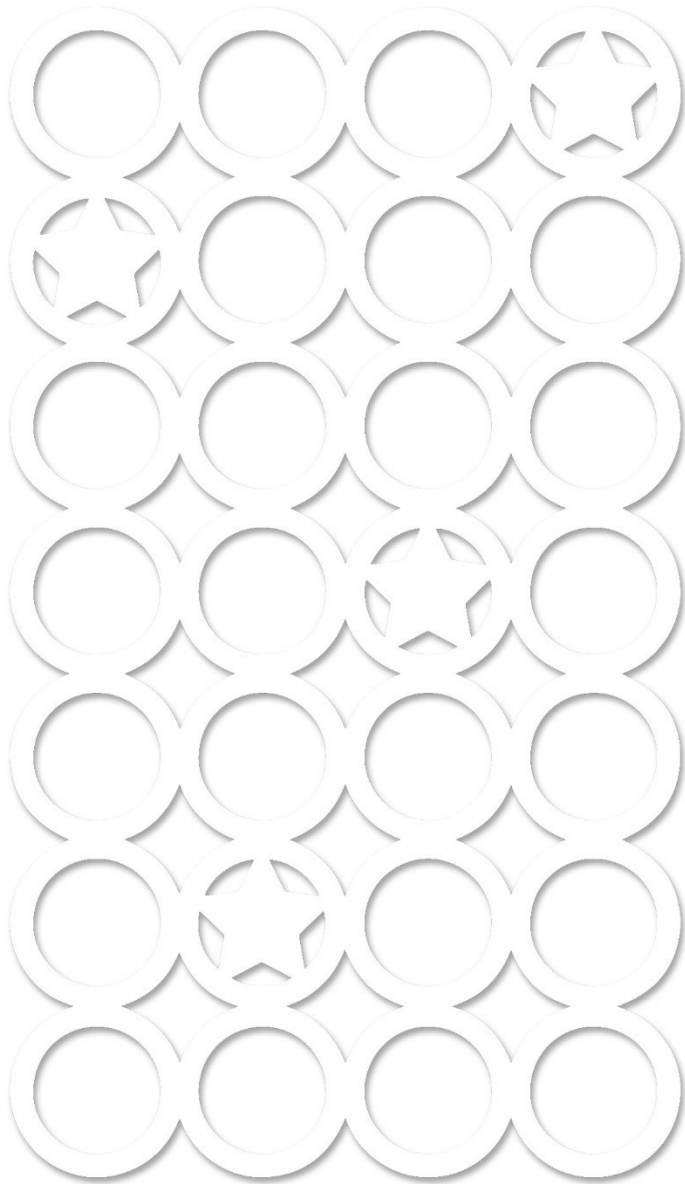

Trim the bar code tab from a sheet of Echo Park Capture Life Wood Chevron (dark chevron side).

This will be the base of your layout.

Using White Maya Road Mist, unscrew the top of the bottle and tap the mist top lightly with your finger to add small droplets on your page in a triangular pattern.

Using the PageMaps U electronic cutting file, size the star/circle pattern to 5.75"x10" and die cut it from white cardstock.

Using a 1/2" circle punch, punch out the number of circles listed at left from the noted patterned papers (or papers of your choice).

Adhere the star/circle die cut to the let side of the page 1" in from the left edge and 1" down from the top edge.

Adhere the 1/2" circles to the centers of the star/circle die cut in the order shown (or in an order of your choice).

Electronically die cut the 4.25" sketchy circle shape from Heidi Swapp Favorite Things "Rainbow Rounds" paper (lime green). Adhere to your page 1" from the right hand side of the page, and 2" from the bottom of the page, slightly overlapping the circle/star die-cut shape.

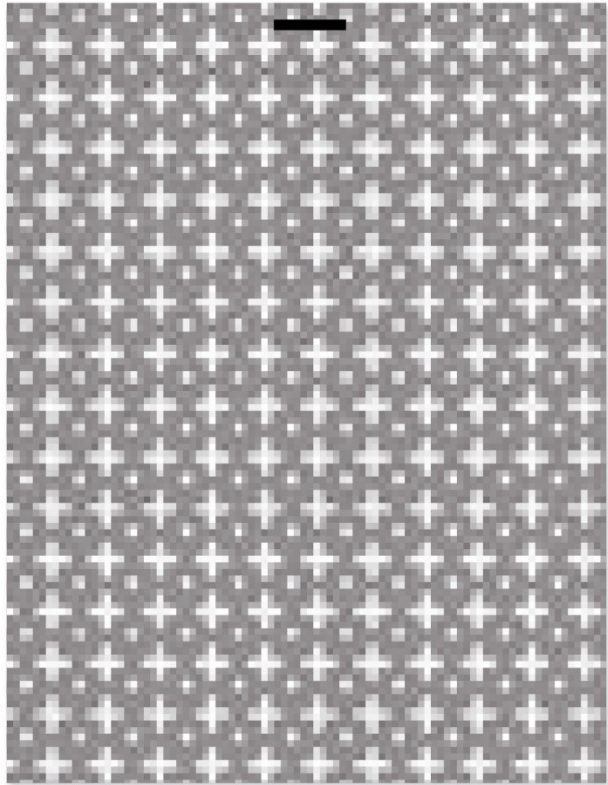

Mat a 3.75"x3.75" photo onto a 4"x4" piece of black cardstock.

Mat a 4.25"x4.25" piece of BasicGrey RSVP Sprinkles (teal side) onto a 4.5"x4.5" piece of white cardstock.

Layer all four pieces together.

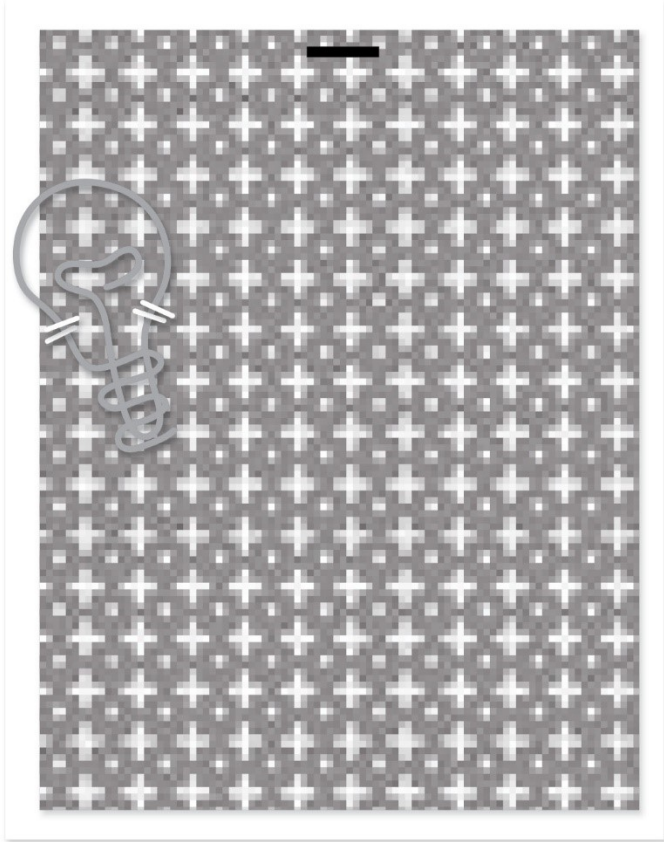

With dimensional adhesive adhere the matted photo to the right side of the page, 1.25" from the right edge and 2.25" from the top of the layout, slightly overlapping both die cut shapes.

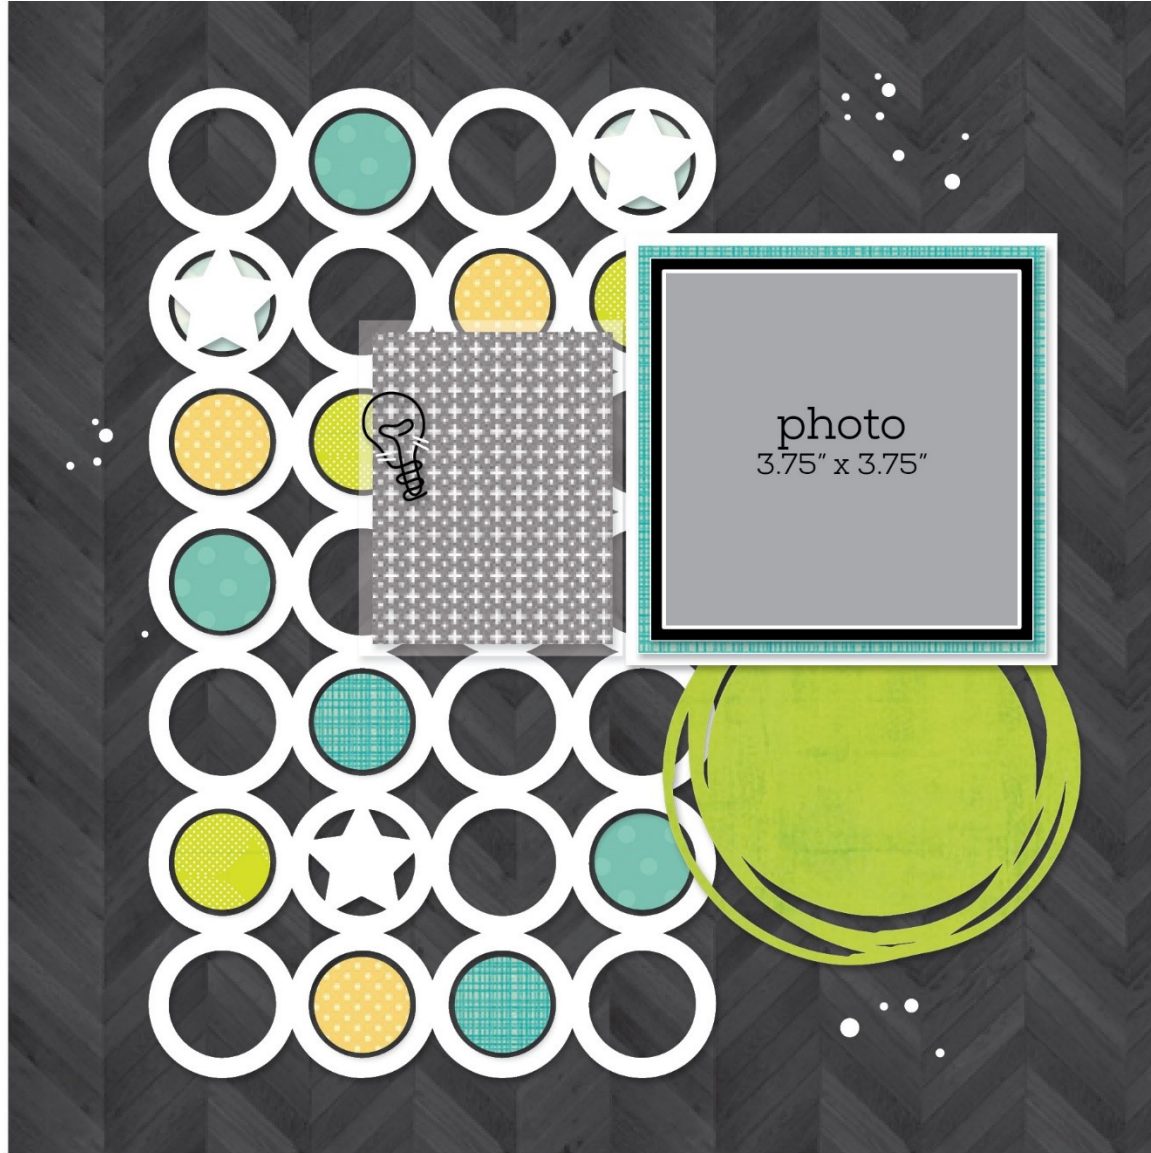

Trim a 2.5"x3.25" piece of Echo Park Love Script (black/white + signs side). Trim a 3.75"x3.5" piece of vellum.

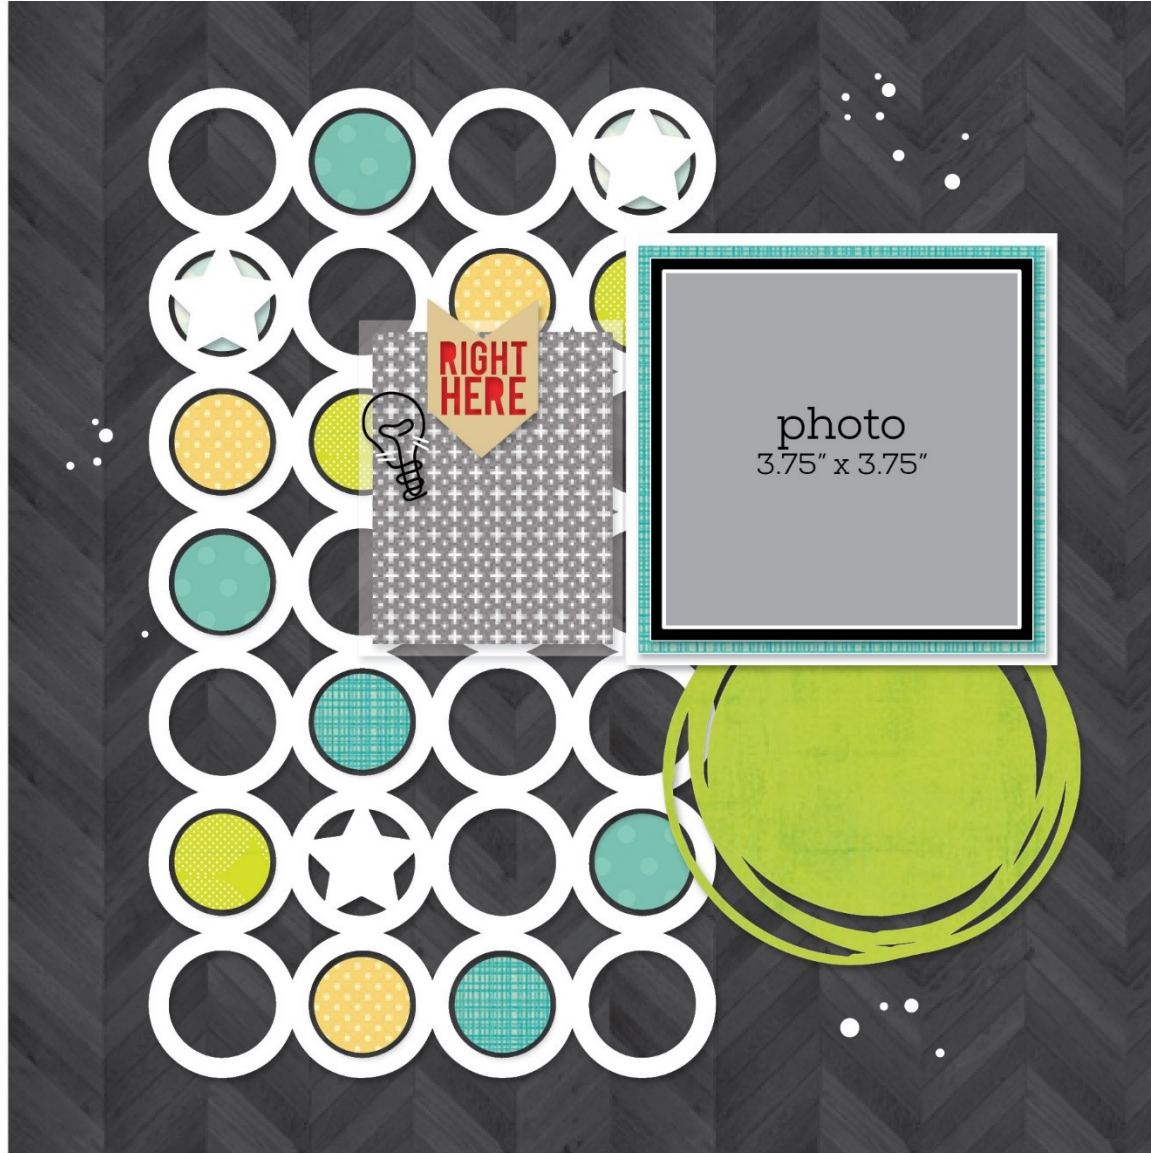

Layer the two pieces together and staple at the top to secure.

Using some twine, hand stitch a Webster's Pages Designer Lightbulb paper clip to the journaling card, 1/2" from the top edge and overlapping the left edge slightly.

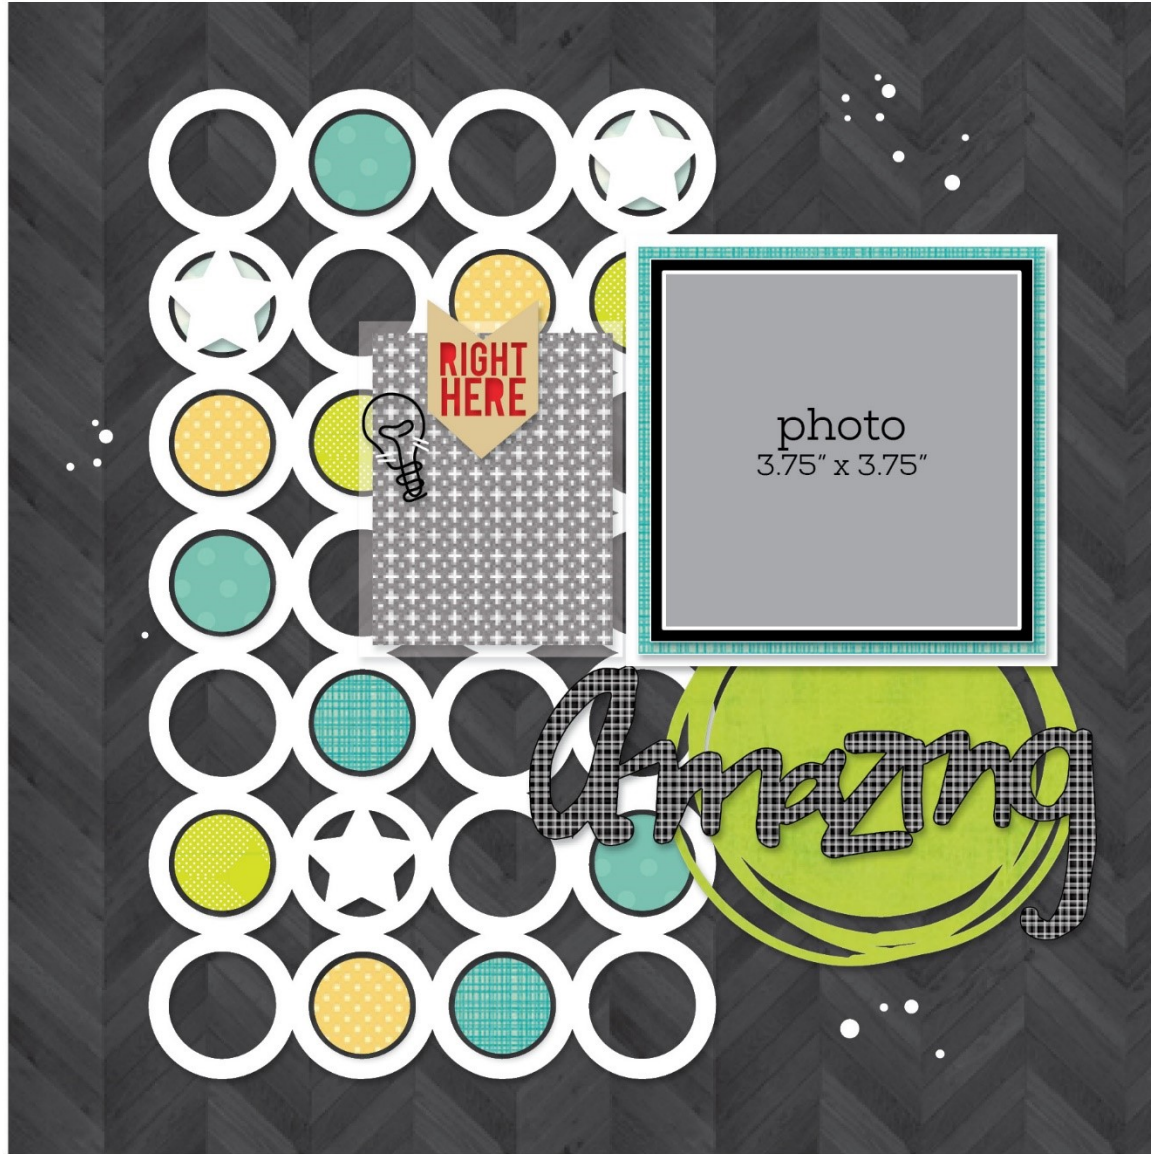

Adhere the journaling card to the page to the left of the photo, overlapping the circle/star diecut shape.

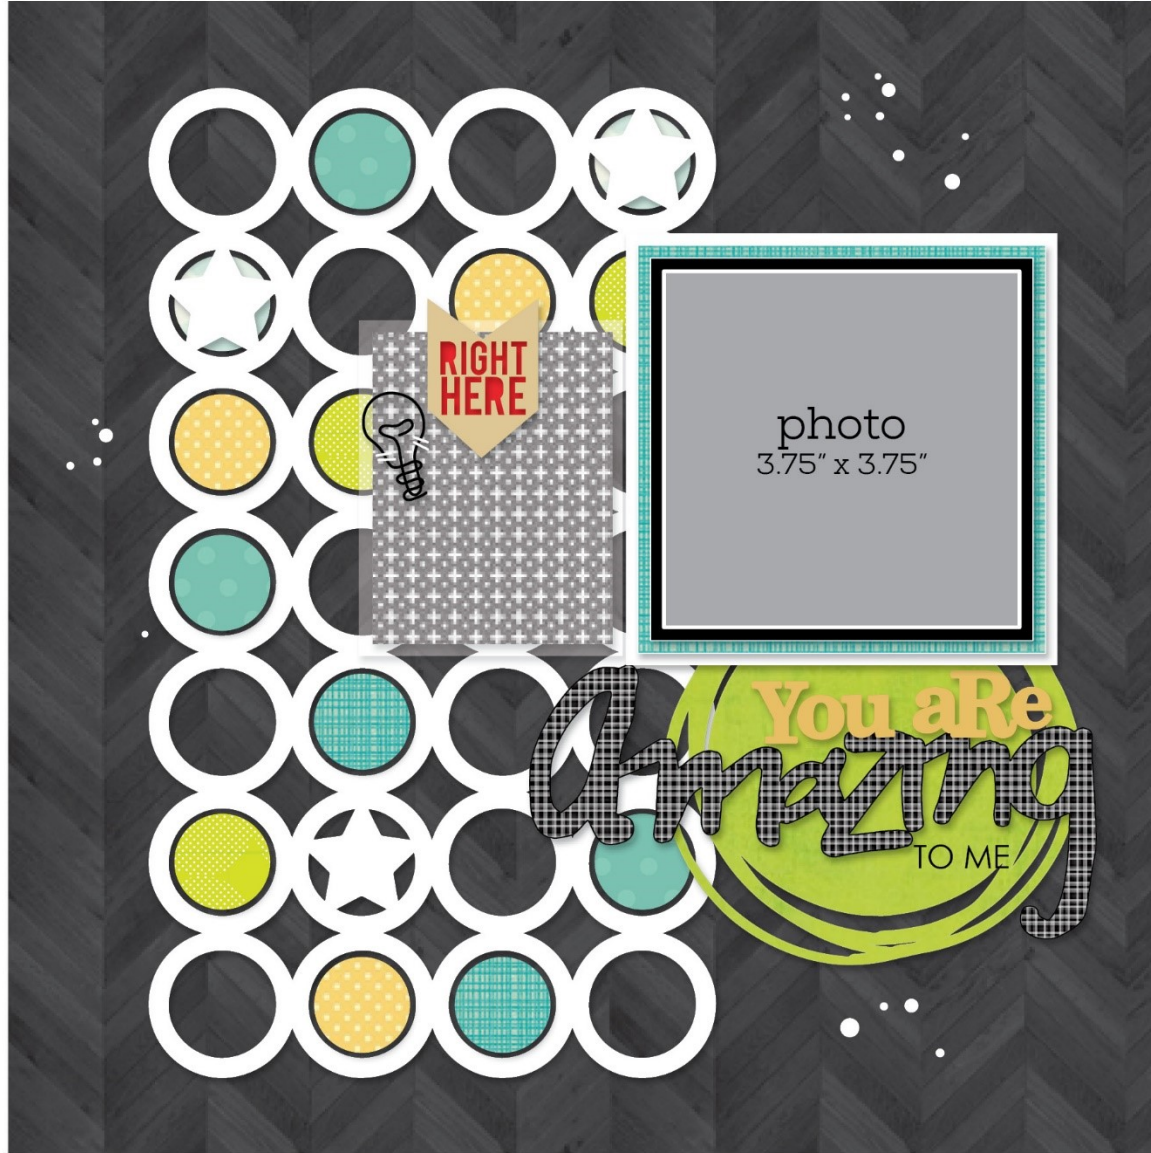

Trim a scrap of red cardstock and glue it behind an Elle's Studio Everyday Moments Wood Veneer "Right Here."

Adhere to the journaling card covering the staple.

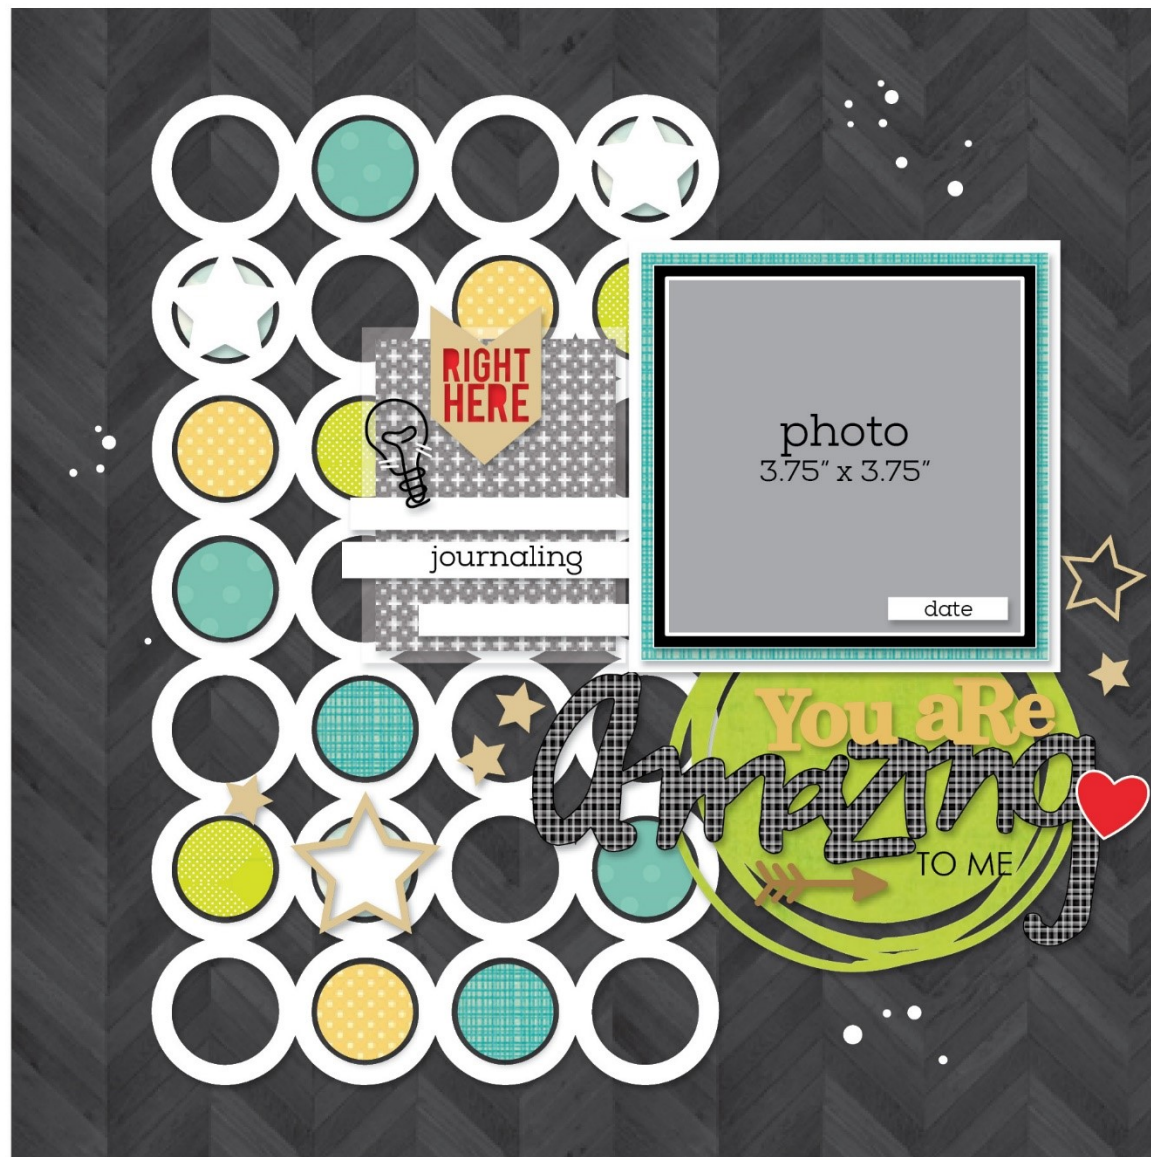

Electronically die cut the “Amazing” title (5.5” wide) from Amy Tan Plus One Peer paper (black grid side).

Using foam adhesive, adhere it over the lime green sketchy circle, 1” down from the bottom of the photo mat.

Complete title with
American Crafts Yellow
foam thickers and
Studio G stamped mini
letters.

Add Studio Calico cork arrow underneath the Amazing title.

Add Elle's Studio Everyday Moments Wood Veneer stars as shown.

Staple a Simple Stories label tab sticker to the photo.

Add another to part of the title, just underneath the photo (heart sticker).

Add two circle sentiments to the centers of two teal circles.
