## layout instructions

- Select the Go Jump in the Lake (colored dots) paper as the base for your layout.
- Trim a 10" square piece from white cardstock. Add hand or machine-stitching around the perimeter and adhere to base, centered.
- Trim a 3.5"x12" piece of Daily Details (yellow triangles) paper and adhere vertically, 3" from the right edge.
- Locate the 12" green scallop sticker on the Cam-pout Treasure & Text cardstock sticker sheet. Adhere vertically, flush with the right edge of the yellow triangle piece.
- Using the PageMaps U cutting file, electronically die cut a 6.5"x2" title from the Gone Fishing (blue swirls) paper. Add hand or machine-stitching around the perimeter of your title die cut.
- Trim a 6.5"x2" piece of yellow cardstock. Using dimensional adhesive, back title die cut with the yellow cardstock piece. Adhere the title ensemble 2.75" from the top edge and 1.75" from the left edge.
- Adhere your photos below the title piece and 1.25" from the left edge. Adhere three navy photo corners horizontally, to the right of the rightmost photo.
- Trim the 2"x4" green journaling card from the Daily Details (journaling cards) paper. Add hand-written journaling and adhere below the blue photo corners.
- Locate the "water fun," "sunshine," and "the best part of summer" stickers on the cardstock sticker sheet. Adhere above the title, offset to the right.
- Locate the orange tab and the "#awesome" sticker on the cardstock sticker sheet. Adhere the sticker to the orange tab. Adhere the entire piece flush with the left edge of your leftmost photo.
- Locate the "today was awesome" pennant in the Color Chaos Whatnots Ciao Chip pack and adhere below your photos, centered. Locate the "RAD!" and "fun" chipboard circles and set aside.
- From the Clouds and Flowers and Icons Chip packs, locate the following pieces: two clouds, a sun, two fish and the "sun" circle. Adhere the sun, a fish, a cloud and the "fun" circle in the top, right corner of the layout. Adhere the remaining chipboard pieces in the bottom, left corner of the layout.
- Adhere sequins in the top, right and bottom, left corners to finish your page.
