## layout instructions

- Select the Jubilee (wood plank) paper as the base of your page.
- Using the exclusive PageMaps U cutting file, electronically die cut an 8"x10" trellis from white cardstock.
- Locate the navy dot, pink floral and red patterned papers in the Hello Today paper pad. Back several openings on the die cut trellis with these patterned papers. Back two or three more openings with the Gold Glitter cardstock, leaving numerous open spaces so the background will show through.
- Adhere the die cut trellis piece to your base, 1" from the top edge and 2" from the left edge.
- Trim a .75"x12" piece from the Garden Party (yellow floral) paper and adhere along the top edge of the page. Add hand or machine-stitching around the inside edge, if desired.
- Using the PageMaps U cutting file, electronically die cut a .75"x11.5" wave border piece from Stitching (floral) paper. Adhere this piece, centered and overlapping the yellow floral piece slightly.
- Electronically die cut a .25"x11.5" scallop border piece from Stitching (aqua) paper. Adhere just below the floral piece, tucking the top edge slightly under the wave edge. Add hand or machine-stitching along the two long edges of the wave piece, if desired.
- Locate the navy/pink/kraft/white striped paper from the Hello Today paper pad and trim a 4.25"x5.5" piece. Adhere to your layout, 1.25" from the right edge and 4" from the top edge, tipped on a slight angle to the right.
- Locate the teal polka dot paper in the Hello Today paper pad and trim to 3"x4". Adhere to the left of the striped piece.
- Locate the black/white polka dot paper from the Craft Market 6x6 paper pad. Trim to .5"x3" and adhere to the page, 3.25" from the left edge and 4.5" from the top edge, overlapping the teal dot paper. Add machine or hand-stitching around the edge of these three paper pieces, if desired.
- Trim two 2.5"x3.25" photo mats from white cardstock. Add journaling/text along the right edge of each, as shown. Add hand or machine-stitching along the right edge, if desired. Adhere one photo to each mat, centered between the left edge and the journaling/text.
- Locate the multi-color floral paper in the Craft Market paper pad and trim to 2.75"x3.75". Center and adhere one photo piece on to the floral piece. Using dimensional adhesive, adhere entire piece to the layout, 3.75" from the left edge and 4.25" from the top edge.
- Locate the small pink dot paper in the 6x6 paper pad and trim to 2.75"x3.75". Center and adhere remaining photo piece to the pink dot piece. Using dimensional adhesive, adhere entire piece to the right of the other photo, offset slightly at an angle.
- Trim a .5"x9.5" piece of the Create w/ Gold (multi-color dot on kraft) paper. Scallop border punch a 9" length of white cardstock. Trim to .5"x9". Adhere the scalloped piece over the bottom edge of the multi-color dot piece and add machine or hand-stitching around the edges, if desired. Using dimensional adhesive, adhere the ensemble below your photo, tucking the top edge slightly under the rightmost photo.
- Using the exclusive PageMaps U cutting file and the double-cut feature, electronically die cut a 3.5"x2" label from Gold Glitter cardstock. Die cut a 3.25"x1.75" label from vellum. Locate the "so loved" sticker from the Craft Market Accent sticker pack. Layer the vellum over the gold label. Add the sticker to the top, right area of the vellum and staple the left edge of the sticker.

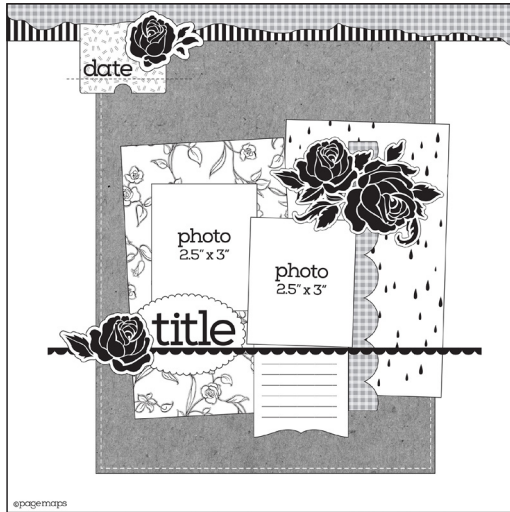

- 16 Locate the word "shine" in the Serendipity Royal/Foil Thicker stickers, and adhere, covering the staple with the "h". Using dimensional adhesive, adhere the entire label piece to the layout, 2" from the left edge and 2.25" from the bottom edge and overlapping the scallop strip and the leftmost photo.
- 17 Locate the "love" circle sticker, green ticket sticker and yellow pennant "xoxo" sticker on the Confetti Accent sticker sheet. Add circle sticker to the left side of the leftmost photo, the green ticket sticker to the right side of the rightmost photo and the "xoxo" sticker below the green ticket sticker.
- 18 Using the PageMaps U cutting file, electronically die cut a 2" wide ticket from the small pink dot paper in the 6x6 paper pad. Adhere along the edge of the Stitching (floral) piece on the top edge of the layout. Locate the pink floral label sticker on the Confetti Accent sticker sheet and adhere along the top, left corner of the pink dot ticket die cut.
- 19 Locate the "dream big" circle sticker, the gold seal sticker and the pink heart sticker on the Craft Market Accent sticker sheet. Using dimensional adhesive, adhere the circle sticker to the right of the rightmost photo, above the green ticket sticker. Adhere the gold seal sticker under the top, right corner of the photo and the pink heart to the gold seal sticker.
- 20 Locate the white/gold label sticker from the Confetti Accent sticker sheet and adhere above the rightmost photo. Stamp date onto the white/gold label sticker.
- 21 Add Pinkfresh Studios wood beads and the Simple Stories I Am Bradz and enamel dots to the layered embellishment clusters to finish.
