It's a Clear Choice Here

Wendy Rider

Wendy has been a borough councillor for 10 years. Respected for her hard work for local residents, all year round. Wendy has a special interest in social services - a vital service that helps many residents both old and young.

OR

The Conservatives

Residents tell us that they only hear from the Conservatives in the run up to an election.

When Conservatives last ran the council here, Council Tax was the second highest of any County Council and they let our roads and pavements go to ruin.

and Charles Royden

Well known local campaigner who gets results for local residents. Charles has been a Borough Councillor for Brickhill for 12 years. As Deputy Mayor and the Portfolio Holder for Environment and Transport, Charles is pushing for increased funding for road and footpath repairs.
