

BOYS & GIRLS CLUBS
OF WAYNE COUNTY

ANNUAL REPORT & IMPACT ASSESSMENT

A PLACE TO BECOME.

Message from our Executive Director

For those of you who have been a part of our organization in the past, you know that I often refer to my role as not just the C.E.O. (Chief Executive Officer) but also the C.T.Y.O. (Chief Thank You Officer). It seems like in 2017 I couldn't say "Thank You" often and fast enough. **Thank You** to our corporate and individual Donors, our Board of Directors, our Board of Trustees, our volunteers, our parents, our program partners, and our truly wonderful and dedicated Staff members. The Boys & Girls Clubs of Wayne County is celebrating one of our most successful years ever. What I have witnessed over the last 25 years is a genuine concern and outpouring of support for the young people who live in Wayne County. I believe our local communities see us as a vital partner in providing a high quality of life with meaningful contributions to our greater good.

Because of your involvement, our Boys & Girls Club rivals organizations in much larger communities. We are providing more life-changing programs, more needed services, and more caring adults than ever before. I know that I am proud and grateful for the work that everyone does here on behalf of over 2,300 Boys & Girls Club members. Just thinking about

the **700+ kids a day** that come into one of our five locations is rather mind boggling. Our focus on positive outcomes in the three priority areas of Academic Success, Healthy Lifestyles, and Good Character and Citizenship, combined with our establishment of positive and caring personal relationships, are creating the citizens of this community now and for the future.

As you read through this 2017 Annual Report I hope you grasp all the wonderful things happening for young people right here in Wayne County at the Boys & Girls Club. **THANK YOU** – we couldn't do it without you.

Drive E. Doggy
Bruce Daggy

Letter from our President

As I look back over 2017 and all of the things happening here at the Boys and Girls Clubs of Wayne County, one word floats to the top: **inspiration**!

The year started out with an exciting challenge. For the first time, we started seeing our total average daily attendance top 700 kids on a regular basis. This was very exciting news that our Clubs are doing such a great job that many kids and parents from around the county are choosing to be part of the Boys & Girls Club family. However, these great numbers created challenges since most of our units were reaching capacity regularly.

This is where the inspiration comes in. Once this challenge was presented, our Board of Directors immediately went to work to investigate alternatives and potential solutions to make sure we were able to serve all of the kids in Wayne County that want to come through the doors of a Boys & Girls Club. This work culminated in the opening our new Westside Club in early November. The staff has done an amazing job of getting the new Club ready to go and has hit a home run in the first few weeks of operation with 90-100 kids walking through

the door each day after school. The community has also been absolutely wonderful with an outpouring of gifts and donations in the month of November to provide the financial resources to keep our Clubs thriving and the promise of matching funds to help the new Westside Club meet its budget needs for the first school year. These things are in addition to all of the ongoing work and efforts of the Board Members, Trustees, staff, volunteers, and community members throughout the year to keep our Clubs as some of the best in the nation.

Our Mission Statement starts with "To inspire and enable all young people" and I believe we do inspire many young people in this community. But right now, I am the one who has been inspired by all of those people who help make our movement here in Wayne County such a huge success. Thank you for all you do and I look forward to many more years of inspiration!

Jeff Sheridan

Spotlight on Youth

JESSIKA MILLS, 2017 YOUTH OF THE YEAR

"The Club has put me on the path to greatness and has given me so many opportunities I never thought I would receive."

Jessika's circumstances and home life seemed destined to lead her down a path to a life of hardship, little self confidence, and few aspirations; however, despite these hurdles, she was embraced and encouraged to be her best self at the Boys & Girls Club. She attended the Clubs from age six, with a brief respite in middle school that ended up showing her just how vital the Club environment truly was for her development, going from what she describes as a girl "too shy to even get up to sharpen her pencil" to "a leader and an adventurer."

Her incredible progress is evident by the fact that she was selected as the 2017 Youth of the Year to represent the Club at the state competition in March and was awarded not only the Ivy Tech Scholarship

through Richard Jeffers, but the Jack Reed memorial scholarship, as well, and is now attending Ivy Tech. In short, she earned three of the highest honors offered to youth at the Boys & Girls Club of Wayne County! We are so proud of how far she has come, and that she took the words of her mentor, Jon York, to heart: "We are not a product of our environment, we are a product of our determination."

Jack Reed Memorial Scholarship

Jack Reed was a Board Member of the Boys & Girls Clubs of Wayne County and advocate for youth development. After relocating to northern Indiana, Reed was instrumental in helping to open a new Boys & Girls Club in the Fort Wayne area. His dedication to youth and service to his community was remembered by his family when they created the Jack Reed Memorial Scholarship in his honor.

The Jack Reed Memorial Scholarship is available to a high school senior wishing to further their education beyond high school. This year \$2,000 was awarded by the Scholarship Committee to Jessika Mills.

ELEIGHA WHICHARD

"Being a member of the Club has given me a sense of belonging." Eleigha joined at eight years old and soon saw the Club as another family who supported and wholeheartedly believed in her.

Because of her involvement in the teen outreach program, Keystone,

and her work as junior staff at the Boys & Girls Club of Wayne County, she has found her calling: she started a babysitting business and plans to study to become a Neonatal Intensive Care unit nurse! Her goal in life is "to make everyone realize that the human existence is very precious." We couldn't have said it better ourselves.

CHARLES MIKEY MARTIN

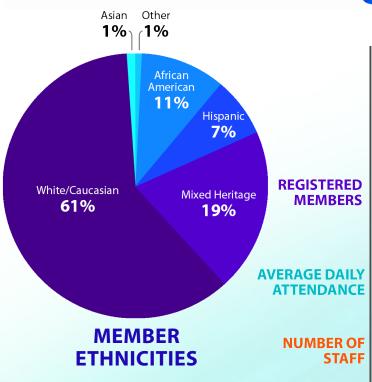

"I am grateful for my Boys & Girls Club experience; it has sculpted me into the passionate, helpful, and giving person I am today." Mikey's commitment to Keystone and the Boys & Girls Club's Junior Helper program has been an invaluable factor in allowing him to

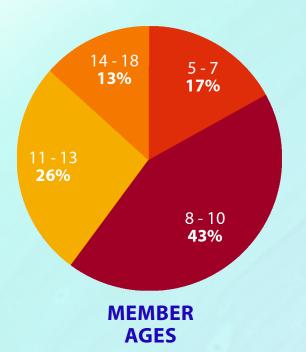

reach his community and speak up for those who are discriminated against and marginalized.

His confidence and self-assuredness (not to mention his goal to always make people smile) are pivotal in his mission to help those in need and exemplify the best in humanity. We're grateful to be a part of his journey and look forward to seeing how Mikey continues to lead and impact the community!

Westside Unit Grand Opening

CELEBRATING GROWTH!

On November 13th, we opened our fifth unit at 1900 West Main Street to accommodate the increase in member attendance. This not only offers a convenient location for members and their families living on the west side of Richmond, but it also frees up the other units from overcrowding, which is an issue that leads to less personal help with individual members and overworked staff. As of now there are 152 registered members. We are so grateful for the support of the community in this endeavor through donations and funding, and to Living Word Christian Fellowship; we couldn't have done it without you!

"What makes our Club unique is how the location serves youth from areas that haven't been reached until now - we finally can provide a place for Centerville kids! We've brought a 'Neighborhood Club' to the Westside of Richmond, and we're excited to see how it impacts the area."

Erin McDaniel Westside Unit Director

Unit Spotlight: Central

A SECOND FAMILY

The Central Unit at 1425 East Main Street gives its 290 members a place to belong and grow, building relationships and learning to work together. This facility has a large gym to foster fitness and well-being, an exciting games room right at the entrance where kids can play together and expend a little energy, and a large, quiet homework room where the members can diligently study without distractions. We're incredibly grateful to Central United Methodist Church for graciously providing a facility that supports the development of these amazing kids!

"Our uniqueness and success is based on our partnership with Central United Methodist Church from the very beginning. Central Club exudes a family-like atmosphere. It's awesome to see a church that not only preaches the gospel, but lives it-by opening its doors to our youth. 'Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me."

Gari Quiroz Central Unit Director

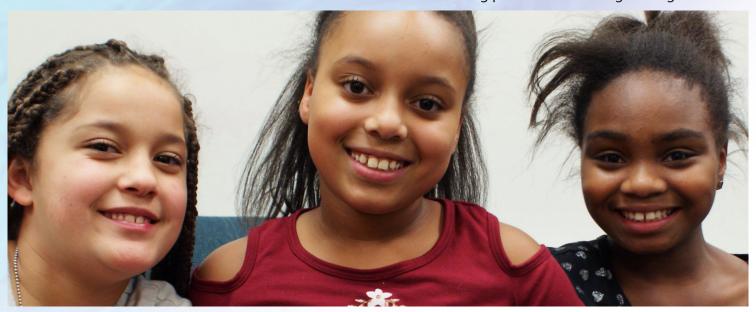

Unit Spotlight: Fairview

ENRICHING AND SUPPORTIVE

At 60 North West L Street, you'll find plenty of smiles and positive energy from the 481 members, plus a great and supportive community for members of all ages. Our Fairview Unit is dedicated to providing elementary schoolers, junior high schoolers, and teens the encouragement and empowerment they need to succeed in their studies and plan for the future. Thank you, Richmond Community Schools, the amazing staff at Fairview Elementary, and Principal Adam McDaniel for all you do to give these kids a safe and enriching place to learn and grow together!

"Here at Fairview we make it our mission to provide our youth with all the encouragement and motivation they need through our amazing, dedicated staff. We want to foster an environment that is welcoming and supportive. In the face of unexpected hardships we experienced later in the year, we have only become more committed to our members and to each other and will remain strong as a team. I am so proud to be part of such a mission. The Boys & Girls Club not only changes the lives of our youth, but also the staff."

Michal McDaniel Fairview Unit Director

Unit Spotlight: Hagerstown

FINDING JOY

At 299 North Sycamore Street, you'll find an energetic and joyful group partaking in all the activities our Hagerstown Unit has to offer to its 260 members, from the large cafeteria that acts as the study hall and quiet recreation area to the games room equipped with a pool table and foosball. We love seeing our kids living life to the fullest! We deeply appreciate Nettle Creek School Corporation and Principal Tiffani Hokey for their support and generous use of their facilities so we can serve the youth of Hagerstown!

"At Hagerstown we are more than just a Club, we are family."

Douglas Dean Hagerstown Unit Director

Unit Spotlight: Jeffers

NURTURING CREATIVITY

The Jeffers Unit at 1717 South L Street is the location of the administration offices and has the largest number of registered members at 1,198.

Members'interests and exploration are encouraged through art, team building, and fitness programs, in addition to the support they receive in their studies to ensure success in their school and beyond.

"One of my favorite aspects of the Jeffers Unit is all of the options members have to engage themselves in after-school programming, from creating art projects to getting homework help to expanding their knowledge with technology. Members are provided with a safe, positive environment to grow with other children and develop lasting relationships with staff. I'm grateful to work with such a great group of committed employees who are dedicated to changing lives."

Alicia Painter Jeffers Unit Director

Awards & Accomplishments

BOARD RECEIVES THE LEAGUE OF EAGLES AWARD

This past summer, our Clubs earned the Gold League of EAGLES (Engage, Ask, Give, Evaluate, Serve) Award for board involvement — a testament to the dedication and commitment of our directors' board and executive leadership to serving the youth in our community at the highest level.

This award recognizes organizations for achieving a **95% or higher** level of board involvement in the six areas of EAGLES.

Board involvement includes strategic planning, resource development, committee participation, board attendance, and personal financial gifts to ensure our members receive the best support and opportunities. Reaching this milestone is an awesome achievement for the Boys & Girls Club of Wayne County, and we are so grateful for the hard work and passion of our directors!

2016 ADA AWARD

The Boys & Girls Club of Wayne County earned the 2016 Silver Level ADA (Average Daily Attendance) Award this past year for our stellar improvement in member numbers, totalling 744 across the Clubs, and we're confident that this number will continue to grow!

STACEY STEELE WINS HYPE AWARD

Our very own Director of Grants and Program Assessment, Stacey Steele, earned the Helping Young Professionals Engage (HYPE) Award in recognition of her impact on the community and, in the words of Richmond Mayor, Dave Snow, "...making a mark on the area in the best ways possible." We believe this award is well-deserved!

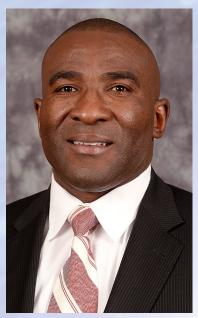

Events

SMART FUTURES DINNER

This year's Smart Futures Dinner honored Richmond native and IU alum Kelly VanPelt Bomba, with the former NFL player for the Phoenix Cardinals, Anthony Thompson, as the keynote speaker, and West End Back as the title sponsor. Attendees enjoyed a dance performance put on by members under the choreography of our accountant and owner of Dare to Dream Dance and Cheer Academy, Danielle Baumer, a live auction, a wine cork drawing, and catering by Old Richmond Inn, to name a few.

The purpose of these dinners is to help raise funds for the Boys & Girls Clubs of Wayne County and highlight the diverse program focus areas, and we'd say we achieved that goal by raising over **\$67,000**! We're forever thankful for a community that supports the futures of our kids.

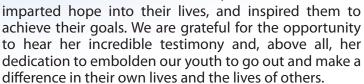

MONIQUE IDLETT MOSLEY: THE POWER OF PERSEVERANCE

In June, we were honored to host globally recognized entrepreneur, entertainment pioneer, and member of the Boys & Girls Alumni Hall of Fame, Monique Idlett-Mosely, to speak inspiration and wisdom to our members and staff.

She encouraged our members to rise above their circumstances,

JM HUTTON GOLF OUTING

Despite rainy weather, the golf outing had a great turnout and raised over \$40,000 toward the Boys & Girls Clubs of Wayne County! Thanks to our major title sponsor, JM Hutton, we can continue to offer the best to our members in the coming year.

2017 Annual Christmas Shop

HISTORY

After discovering how many knick-knacks and other items people have accumulated that are never used, Carla Stidham started the Christmas Shop in 1996 with the express purpose of providing a way for members to Christmas shop for their families, and it's grown leaps and bounds ever since! Stidham and her 5 committee shoppers shop all year round with their keen eye for bargains and encourage the community to donate to the cause, ensuring that, come the holiday season, members have an abundant selection of free, high quality gifts they can share with their loved ones. A big thank you to our major donors: Kohl's, Elder Beerman, and Warm Glow Candle!

Shopping Committee from L to R: Sharon Enright, Aileen Githens, Cindy Haworth, Carla Stidham, Thom Herrman, Ann Herrman

"It's heart-warming to see how much these kids want to do for their families."

-Mayor Dave Snow

"I liked asking [the kids] questions about themselves and loved shopping."

-Madi Clay, North Eastern Senior, 2nd year volunteer

"There are nice presents and I like meeting new people. Before Boys & Girls Club I would show up without a gift and felt bad, now l have gifts."

-Noelle Marsteller, 8

"I love the smiles on the kids' faces!"

-Bruce Arthur, volunteer, **Camping World**

HOW SHOPPING WORKS

Child checks in and makes a list of who they will be with on Christmas morning to shop for.

the perfect gifts.

Child is partnered with Volunteer takes child a volunteer to shop for to boxing station to receive a box or bag for the items.

Volunteer wrappers wrap all presents at the wrapping station.

Child takes all wrapped presents home in a bag!

VOLUNTEER COMMITMENT

A total of 240 volunteers contributed to the Christmas Shop this year by wrapping gifts the members chose, walking through the shop with the youth to aide in selecting gifts, boxing, setting up, cleaning up, taking inventory, and so much more! We're absolutely thrilled to host a group of such hard working, passionate people and an incredible event that brings families together for the holidays.

Grants and Partnerships

BIG NEWS FOR HOMEWORK ASSISTANCE!

The Indiana Department of Education has entrusted us with a two different Cohorts of the 21st Century Community Learning Center Grants. The two grants, totalling over \$516,000 focus on homework and tutoring and introducing STEM activities to youth. This generous gift will allow us to serve 600 children this year in our PowerHour Program which offers small group and individual tutoring to help members finish their homework and succeed in their studies.

STAMM KOECHLEIN FAMILY FOUNDATION

For many years, the Stamm Koechlein Family Foundation has supported the Club with generous unrestricted operations support. Their foundation goal is to "Build, strengthen, and sustain community life by bringing opportunity to youth," and they continue to support the youth in Wayne County who participate in the Clubs' after-school programs. The Club wishes to thank their Board of Directors for their generosity and the \$30,000 grant we received in 2017: John and Monica Koechlein, Curtis and Linda Johnson, Maggie Johnson Sherouse, Kathy Stamm Gaga, David Stamm and Laura Stamm Paye.

REID COMMUNITY BENEFITS

Reid Health and the Reid Community Benefits program has partnered with the Club to support our ClubFit Program and Prevention Plus Programming. In 2017, the \$19,100 ClubFit grant helped kids learn how to grow fresh vegetables through the Gardening Club, and how to cook healthful food with the Healthy Habits program; plus ClubFit, which increases access to exercise for youth on a daily basis, and providing physical fitness testing while attending Camp Guy during the summer through the Camp Fit program. We have also received a \$15,900 Prevention Plus Grant that supported all of our prevention programs for different age groups including Too Good for Drugs for 1st through 5th grade, Project Alert for 7th and 8th Grade, and Guiding Good Choices for parents.

DEPARTMENT OF MENTAL HEALTH AND ADDICTION FSSA PREVENTION

BGCWC works with Drug Free Wayne County Partnership to bring evidenced-based prevention programming to youth of all ages. This year, a \$200,000 per year grant provides the curriculum with supplies, training, and staffing, including a dedicated prevention specialist to run multiple programs year-round, which has impacted the lives of our community youth in incredible ways!

Impact Assessment

The Formula for Impact depicts how Clubs put our youth development mission in action. It identifies who our Clubs serve, shows how we do that, and what we hope to accomplish with young people, helping them achieve positive outcomes in three priority areas:

Academic Success, Good Character and Citizenship, and Healthy Lifestyles.

AN OPTIMAL CLUB EXPERIENCE DRIVES POSITIVE OUTCOMES FOR MEMBERS.

OLDER TEENS (16+) WITH AN OPTIMAL CLUB EXPERIENCE ARE:

YOUNGER TEENS (13-15) WITH AN OPTIMAL CLUB EXPERIENCE ARE:

YOUTH (9-12) WITH AN OPTIMAL CLUB EXPERIENCE ARE:

more likely to believe

that school work is meaningful.

more likely to be on

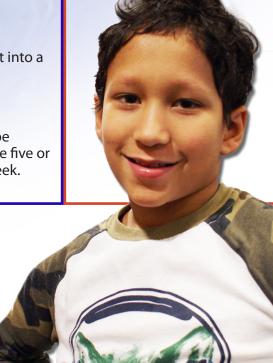

school.

track to graduate high

- more likely to volunteer on a monthly basis.
- more likely to volunteer on a monthly basis.
- 41% less likely to get into a physical fight.
- less likely to smoke marijuana.
- more likely to be on track to graduate from high school.
- less likely to consume alcohol.
- 21% less likely to ever skip school.
- less likely to get into a physical fight.
- more likely to expect to attend college.
- more likely to be physically active five or more days a week.

THE FIVE KEY ELEMENTS OF AN OPTIMAL CLUB EXPERIENCE ARE:

- Provide a **safe**, **positive** environment.
- 2 Provide access to **fun** and a sense of **belonging.**
- Provide access to **supportive relationships.**
- 4 Provide **meaningful** opportunities and expectations.
- **5** Provide formal and informal **recognition** (acknowledges youths' strengths and talents).

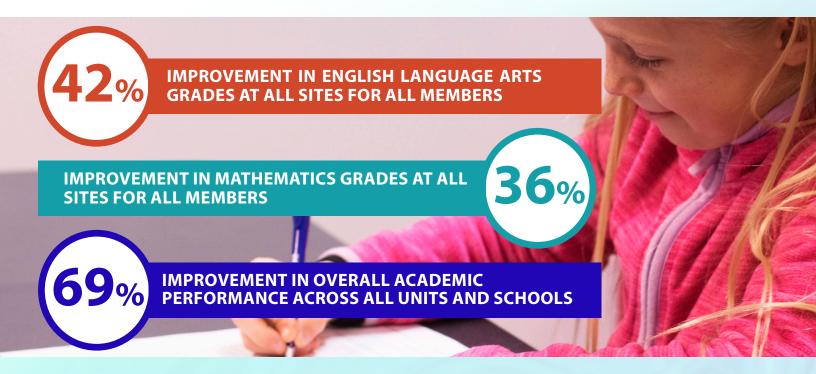

Academic Success

At the Boys & Girls Clubs of Wayne County, we strive to prepare our members to graduate from high school ready for college, trade school, the military, or employment. This all begins with instilling in them the importance of education and encouraging them to make the most of it! Our Clubs offer daily homework help, plus one on one tutoring for any youth that needs it!

Through the 21st Century Community Learning Centers, Power Hour, and Indiana Kids Programs, we've seen some great steps members have made toward their futures!

ACADEMIC IMPROVEMENT THROUGHOUT 2017

Healthy Lifestyles

We recognize the growing need for opportunities to get involved in physical activity, learning healthy eating habits, and living a drug-free life. Our Clubs offer fun, creative ways for youth of all skill and fitness levels to get moving, plus great programs to prevent drug abuse!

DRUG AND ALCOHOL PREVENTION PROGRAMS

Too Good for Drugs is a program geared toward students in kindergarten through 12th grade and strives to get to the root of drug abuse to help its participants find their own strength to live healthy lives. It focuses on teaching effective problem solving skills, resilient mental attitudes, and social competency to benefit the school community at many levels. The 211 regularly attending members exhibited an increased awareness of the dangers of drugs, alcohol, and tobacco.

Project ALERT designed specifically for 7th and 8th graders, aiming to equip middle schoolers with the ability to resist negative media images and peer pressure. The 55 participants in this course were **20% MORE LIKELY** to understand the dangers of smoking and drinking alcohol after attending!

CLUBFIT FITNESS CHALLENGE

This program challenges members to participate in 60 minutes of moderate to vigorous physical activity five days a week, with a regular attendance of 1,083 youth! Our kids have an amazing time team-building and learning the value of physical wellness, and we have a great time seeing them smile through the sweat!

CATCH KIDS HEALTHY HABITS

This program (with 142 regular participants from kindergarten to 8th grade) covers nutrition and hands-on lessons in preparing healthy snacks, allowing members to experience and taste healthy foods that they may not have regular access to, and encourage them to continue making healthy food choices throughout their lives.

SMART KIDS

As a 12 week program, the 85 youth 6 - 9 years of age received invaluable knowledge, skills, and self-esteem to help them avoid risky behaviors and situations, including involvement with drugs and alcohol, with the message that our bodies are priceless possessions that allow us to accomplish our dreams.

Good Character & Citizenship

KEYSTONE CLUB

Our teen-centered Keystone Club is an amazing avenue for teens to plan and organize community and Club service projects, which have included after school care, food drives, and fund raisers, just to name a few. The main goal of this program is to promote character and leadership among Club teens, thus setting a solid foundation for academic success and career preparation.

TORCH CLUB

The Torch Club is a small-group leadership program composed of youth ages 11 -13, instilling in them respect, responsibility, reliability, and tolerance. They plan and implement their own activities and service projects, which have included a bake sale in the memory of Anthony Armstrong with all proceeds going to support his family in their time of need, and painting the BGCWC building at Safety Village.
