TOURNAMENT RULES

1. All games bowled in the Preston W. Thomas Memorial Senior tournament are subject to the rules of the United States Bowling Congress. Tournament management reserves the right to reject or rerate any entrant prior to the entrant's first event.
2. **ALL BOWLERS MUST PRESENT THEIR USBC CARD AT TIME OF CHECK-IN. IF NOT PRESENTED; A CARD MUST BE PURCHASED BEFORE BOWLING.** Upon proof of a paid card, money will be refunded.
3. All USBC members, 45 years of age or older at the time of bowling their first event, who are members of a local bowling association affiliated with the New Jersey State USBC Bowling Association are eligible to compete. Non-USBC members who reside in New Jersey, or in that part of Pennsylvania served by the Easton Area Bowling Association, may enter by purchasing an affiliate membership for \$18.00 as provided by USBC Rule 301 b.
4. This is a handicap tournament with competition in singles, doubles and all events.
5. The handicap will be 90 percent of the difference between the entering average and 230 in singles and 460 in doubles. There is no limit to the amount of handicap.
6. There will be seven classes of competition in singles, (handicap and scratch) and all events: Class A-1 - 75 years and older; Class A - 70 years thru 74; Class B - 65 thru 69 years, Class C - 60 thru 64; Class D - 55 thru 59; Class E - 50 thru 54; Class F - 45 thru 49. Entrants must verify age when checking in.
7. Doubles partners do not have to be from the same age group since there is only one class of competition in doubles, except for Class F.
8. Entrants are eligible to compete once in singles but may bowl an unlimited amount of times in doubles with a different partner. If bowling more than once in doubles, the bowler's first doubles set will be used for all events as provided by USBC Rule 317.
9. A bowler's entering average will be the highest average, based on 21 games or more in a sanctioned USBC league, in the following order:
 - (a) 2005 - 2006-winter season.
 - (b) 2006 summer season
 - (c) Current season as of 12/1/2006
 - (d) A bowler lacking all of the aforementioned averages must use a 230 average.Indicate appropriate letter (a), (b), (c) or (d) after average on front of entry form.
10. An entrant is responsible for verification of the entering average, whether submitted by the bowler or someone else. Failure to use proper average shall disqualify score if submitted average is lower than actual average thereby resulting in more handicap. Prize winnings will be based on the submitted average if it is higher than the actual average. In doubles the averages will be combined to determine whether the correct total is higher or lower than the submitted total. Corrections in average may be made up to the completion of the first game of a series, or within 48 hours of completion of the series if, prior to completion of the first game, written consent is given by the ranking tournament official present in accordance with USBC Rule 319 a.
11. USBC Rule 319 d will be waived in the event of anyone who has qualified for a cash and/or merchandise prize of \$300.00 or more in any event of a tournament in the 12-month period prior to entry.
12. Any entrant whose average must be adjusted under the provisions of USBC Rule 319 e. must report such adjusted average prior to bowling.
13. The 10-pin increase in current average (USBC Rule 319 a.2) is waived.
14. The Tournament Committee will pay the \$140.00 entry fee for the handicap all-events winner, whether in the paid all events or not, in Classes A1, A, B, C and D to compete in the 2008 USBC Senior Championships Reno, Nevada. These representatives in each class will also receive \$ 500.00 toward expenses. Class E and F bowlers are not eligible for the USBC Senior Championships, which is limited to bowler's age 55 or older. If the first-place all-events winner in any class declines to bowl in the USBC Senior Championships, the spot will go to the highest finisher in that class who accepts. In the event of a tie for an entry to the Nationals in any class, a three-game roll off, with handicap, will be held to determine the entrant. If a tie exists after three games, additional 9th and 10th frames will be bowled until the tie is broken.
15. Entrants may bowl only in singles or only in doubles. Contestants will bowl only one event on a squad. A bowler entered in singles and doubles will be scheduled on two squads. Normally singles will be scheduled before doubles.
16. The prize ratio in singles, doubles and all events shall be at least one in seven. USBC rule 309 requires at least one in 10 in singles and doubles and USBC Rule 307a requires at least one in 20 in all events.
17. **MASTERS FORMAT.** This is a scratch event with the score of the first singles and doubles series bowled in the senior tournament will count as qualifying score. The top fifteen scratch scores and last years winner will return on January 28, 2007 at 9:00 am. for the double elimination finals seeded according to there qualifying scores. A bowler 60 and older will reserve one of the 15 qualifying spots for the highest senior score. Participants tied for sixteenth place will bowl a one game roll off preceding the finals. If a tie remains 9th and 10th frames will be bowled until a winner is determined. The previous year's winner will be seeded 11th unless the bowler qualifies higher in the regular tournament.
