$500 will put a Dog Team (dog and handler) into a local school for one year.

Each Dog Team delivers around 200 reading sessions per year.
If they were not volunteers and being paid, this would have a price tag of over $6000/yr.
So your $500/yr goes a long long long way!!

How about making a difference for longer

1 for 3 : One Dog Team sponsored for Three Years = $1500
OR
2 for 2 : Two Dog Teams sponsored for Two Years = $2000

Your tax deductible sponsorship of $500 provides:

- Set of six quality children’s books
- Training materials
- Reading rug
- Dog Team accreditation
- Uniform for the volunteer
- Volunteer training
- Dog Vest
- Volunteer insurance
- Public liability insurance.

Your renewal for subsequent years will ensure our program continues to expand, helping more children every year.

What Story Dogs can do for you:

Brock was 7 years old and in Year 2 at Terranora Primary School in NSW. He was chosen for the Story Dogs reading program because he was a non-reader. His teachers were very concerned and doubted if Brock would progress very far. Yet, after a year in the Story Dogs program he had amazed his teachers and the principal by leaping up 18 levels in reading. Furthermore, Brock had been diagnosed as autistic and was not expected to reach such heights in the whole of his primary schooling. Volunteer Kate and Pia, her Kelpie Cross, had worked their magic.
