

Fun Reading  Reading for Life

Parent Consent Form

Dear Parent/Carer,

Story Dogs is a fun and unique reading support program that improves children’s reading and communication skills by children reading to a trained companion dog and its handler.

The Story Dog program is primarily designed for students who have reading challenges, however students may be chosen by the Classroom Teacher to participate in the program as a reward or as an alternative reading activity.

Students will spend approximately 20 minutes with the Story Dog Team once or twice per week reading books which are appropriate to their reading level. During the session, the dog will be on its lead at all times and the handler will be with the dog and student at all times. Although the dog is immaculately groomed, fully wormed with flea protection, children with allergies are recommended not to be involved with the program.

The program is free to all students.
