ACADEMIC OFFERINGS

9th - 12th Grade

RETURN ON INVESTMENT

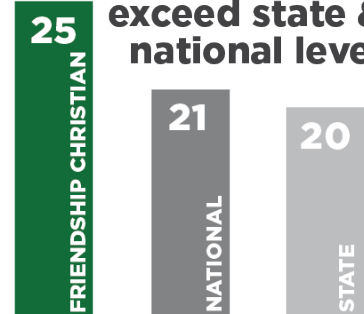

73 College Credit Hours Offered

The 53 members of the class of 2019 were offered \$9,886,594 in scholarships.

(\$186K per student average)

Students should contact their higher education institutions of interest regarding their credit transfer process prior to registering for dual credit/dual enrollment courses. FCS offers an extensive list of dual enrollment/dual credit opportunities; however, each university sets its own policy as to how many credits a student may transfer while still be considered for incoming-freshmen scholarships (as compared to entering as a transfer student).

ACT score averages exceed state & national level

100%

were accepted into college and were HOPE Scholarship eligible.

PLEASE NOTE:

In order to receive a Friendship Christian School diploma, students are expected to be enrolled at FCS a minimum of four semesters of their high school career. The primary exception to this would be a student who is moving into the local area from out of state or a distant region of Tennessee. Students from local high schools will not be considered for transfer if they will not meet this requirement.

Students must be enrolled at FCS for all four years of high school in order to be considered for Valedictorian or Salutatorian.

Some courses may not be offered every semester.
