FUN REIGNS AT VIGILUCCI’S BEACH BOCCE WORLD CHAMPIONSHIP XXXIII

Event raises over $100,000

(Carlsbad, CA – July 16, 2015) – Produced by North County Athletic Association, Vigilucci’s Beach Bocce Ball Championship XXXV attracted over 1,000 people to Del Mar’s Dog Beach on July 11 for a day jam-packed with sun, food, fun, and of course, great beach bocce ball action. Raising over $100,000 this year, and a total of over $1 million since its inception, the tournament sold out in under an hour when tickets were made available in the spring. Beneficiaries included Boys & Girls Clubs of Carlsbad, as well as the Friends of the Powerhouse and Beach.

“Even though competition is stiff, laughter is abundant,” stated John Manson, Tournament Co-Founder. “The event has become multi-generational and fun for everyone. Quite simply, it’s a great crowd enjoying a great day while having a great time!”

Fun was definitely the order of the day. Many came in costumes on teams with names referencing bocce balls or private jokes. Some were first timers, while many have been participating for years.

Mens, womens, and mixed divisions were offered for the seasoned player and novice alike. A sold-out crowd of 412 teams played 1020 games on 81 courts. Plans are already underway for the July 2016 competition. More information can be obtained by visiting www.beachbocce.com or calling (760) 444-4893..
