“"The Boys & Girls Club is saving his life."”

Kenneth
Freshman, Marshall Fundamental

Kenneth has been a member of the Club for four years and has been to three different schools in that time. All this turmoil created a difficult environment for Kenneth. He would come to the club and not participate in programs; he just had a bad attitude. The teen staff took this as a challenge and knew they could help. They had a heart to heart with him and they found his motivator: food. Then they challenged him to reach his potential. The staff worked relentlessly with him and encouraged him to participate at the Club. A few months later Kenneth’s grandma came in crying wanting to speak to the Teen Staff. She showed us his report card. Kenneth went from all Ds and Fs before high school to straight As. Kenneth’s grandmother told our staff that “The Boys & Girls Club is saving his life!”
