

# COURSE OUTLINE

**COURSE TITLE:** Forced Marriage Training

**COURSE LEVEL:** 3

**DURATION:** One day

## Introduction

---

This course is designed to provide learners with tools to understand the range of skills needed to work with children and young people at risk or having experienced forced marriage

## Benefits of Attending

---

To increase awareness of this and to enable better protection and detection of children and young people at risk. The trainer is nationally known and respected

## Programme Highlights/Learning Outcomes:

---

- Learners will have an increased awareness and be able to look out for indicators amongst the children they work with
- Participants will be able to define forced marriage
- Attendees will be able to summarise the legal context
- Identify the children at risk
- Describe the barriers to seeking help and service provision
- To take appropriate action when a disclosure is made
- To discuss local and national examples of good practice

## Who Should Attend

---

Anyone who is working with children and young people

**Special Notes:** This course is also available as part of a workshop on the same day including Honour Based Violence

---
