

# COURSE OUTLINE

**COURSE TITLE:** Honour Based Violence and Forced Marriage

**COURSE LEVEL:** 3

**DURATION:** One day

## Introduction

---

This course is designed to provide learners with tools to understand the range of skills needed to work with children and young people at risk or having experienced honour based violence and/ or forced marriage.

## Benefits of Attending

---

To increase awareness of this and to enable better protection and detection of children and young people at risk. The trainer is nationally known and respected

## Programme Highlights

---

Learners will be enabled to:

- Develop and understanding of the background to honour based abuse and force marriage
- Identify honour based abuse and forced marriages in cases presented
- Manage and investigate incidents of honour based abuse and forced marriage
- Identify and assess risk using a specialist risk assessment
- Understand law and policy and apply it
- Identify strategies to increase safety for victims

## Who Should Attend

---

Anyone who is working with children and young people

## Special Notes:

---
