

COURSE OUTLINE

COURSE TITLE: Extremism and Radicalisation

COURSE LEVEL: 3

DURATION: One day

Introduction

Extremism and radicalisation are not new topics. These ideas have been around throughout history. However at the moment they are in the news and young people throughout the country are being targeted and are becoming involved in illegal activities. The course aims to provide information and a forum to discuss these ideas so that professionals are better equipped to deal with these issues should the need arise.

Benefits of Attending

The course is interactive. It looks at real case studies and provides various exercises for the learners. The course gives learners the opportunity to explore and discuss these topics as well as giving information. The course is led by a skilled and experienced facilitator with a vast experience in this area of work.

Programme Highlights

- Develop an understanding of these topics
- A look at vulnerability and capability
- How and why young people get involved
- How to work with young people who are radicalised and action to be taken
- Prevent Duty and its importance in our sector
- The Channel Process

Who Should Attend

Anyone working with Children and Young People or an interest in this subject

Special Notes

The course is not a forum for religious or political debate

Extremism and Radicalisation
