 Generosity

Peter Seligman, parent of Dani, Corbin and Avery, has been a dedicated volunteer at TanenbaumCHAT for the past eight years. As the graduation of his youngest child approaches, TanenbaumCHAT would like to recognize Peter's commitment to the school.

When you ask Peter about his involvement, he explains that he measures his volunteer life according to the three "T's", Time, Talent and Treasure. All of these are aspects of the generous gifts Peter has shared with TanenbaumCHAT. While Peter was a board member he held the position of Chair of Development and he oversaw many successful fundraisers, most notably the theater event "Wicked" which raised over \$50,000 and attracted over 700 people.

Given all that he has done it is amazing that Peter still asserts "through my involvement, the more I give to CHAT, the more I get back". It is the sense of "fulfillment" and "productivity" through his voluntarism that Peter reflects has "enriched my life". The thing that he is most proud of is the example that he has set for his children.

TanenbaumCHAT salutes Peter for all his past work and offers our own critical "T" to him; our heartfelt and profound **"Thanks" for his dedication!**

*"through my involvement, the more I give to CHAT, the more I get back"*
