# "Simplicity is the Ultimate Sophistication"

*-Leonardo da Vinci (1452-1519)*

Durable, aesthetically pleasing AND affordable – these are Nothing But Furnishings' stated goals and the reason we produce site furnishings that are stunning but simple. With a decisive eye to market demand, we manufacture a line of site furnishings that have:

- clean workmanship;
- excellent material selection;
- prompt delivery.

If there is something specific you are looking for we will do our best to accommodate you. Every community is unique, and at Nothing But Furnishings we can design a product that suits the uniqueness of your community. Throughout the custom process, we support you from planning and production right up until the finished product. Our expertise and years of experience will give you a product you can be proud to show.

# Buddy Bench Program

The Buddy Bench is a great way for school children to find new friends. Originating in Germany, the Buddy Bench is place for children feeling lonely or left out to connect with others. When a child is sitting on the bench, others are encouraged to invite the child to play.

**Fostering friendships is a great purpose for the Buddy Bench!**

Any one of our benches make perfect Buddy Benches. In the past, customers have selected the Fraserview, Crown Isle, and Jubilee for their Buddy Bench.

# Memorial Program

Leave a lasting impression and honour those that have made a difference with a beautiful bench and custom memorial plaque to cherish for years.

A memorial tribute is a lasting legacy - to the honoured individual and to the community where the furnishing is placed. Nothing But Furnishings pays careful attention to details such as good quality hardware and beautiful finishes for the Memorial Bench Program, thus enriching the location and the effect of the Tribute.

Nothing But Furnishings' memorial plaques feature a dark leatherette background and raised bronze-coloured letters. All plaques can be installed on either wood or recycled plastic bench materials. The installation offers a flush finish with the plaque installed centered on the top slat, providing a clean and comfortable installation. Plaques are installed on a horizontal face only for reasons of durability and comfort.

Our standard plaque size is 2" x 14" accommodating 3 lines of text, 34 characters and spaces between each line. For clarity, the standard font is **TIMES NEW ROMAN**, all capitalized letters. The delivery time is approximately 6 weeks after the proof is submitted to the foundry.

# Warranty & Shipping Policy

## WARRANTY

- Limited 20 year warranty on all steel products against structural failure.
- Limited 5 year warranty on all recycled plastic products against structural failure. (These products are also warranted not to rot, split, crack or splinter during this period.)
- Limited 1 year warranty on all cedar products against structural failure. (Seasonal checks and surface cracks are not considered defects in material or workmanship as they are natural characteristics of wood.)
- Limited 1 year warranty on any item not covered above.

Our warranty assures that your product will be repaired or replaced without charge within the parameters of this warranty. You will be required to reference the name plate and provide photographs for each claim. Warranty does not cover normal wear and tear, damage due to misuse or vandalism, unauthorized alteration or acts of God.

## SHIPPING POLICY

Our experienced shipping staff is ready to help you. We will choose the most economical and practical way to ship your product, unless specific routing instructions are indicated at the time of order. You will be provided with a freight quote based on your location and the weight and volume of your order. Upon arrival, off loading is the responsibility of the customer. Please indicate any freight damage on the bill of lading and report any product shortages to us within 48 hours. After 48 hours, we cannot guarantee that any missing or damaged items will be covered under warranty.

**Nothing But Furnishings reserves the right to alter product design, material selection, or construction without notice.**
