Mr Jim Roberts- Headteacher

All students will be supervised by Hove Park staff. They will be following the same timetable set out for students working at home. Students will be supported to complete the online activities that have been uploaded to FireFly.

Although break and lunch will happen at the usual times, there will be no canteen service at break. The canteen will open at lunchtime and will provide a meal for all students. This will be paid for by the school, so students do not need to bring any additional money and you do not need to put money on their individual accounts.

I expect all students to behave in an exemplary manner, recognising the very challenging and difficult context that we are all working through.

If for any reason you do not require this provision on any specific day, it is important you contact the school office.

Thank you for continuing to do the job you do. If there are any positives to be drawn from the current situation – it is that through adversity a community comes together, supports each other and looks after the most in need.

Best wishes,

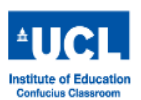

Jim Roberts
