Mr Jim Roberts- Headteacher

9th April 2020

Dear Parents and Carers,

I hope you and your families are staying safe and well. I promised that we would stay connected throughout this difficult time and update you regularly about school related information.

This morning we received an update from the Department of Education.

GOV.UK

Department for Education

Schools to remain closed until further notice

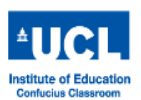

All early years settings, schools and further education providers will remain closed until further notice, except for children of critical workers and children who are vulnerable. We will only re-open settings when the scientific advice indicates it is safe to do so.

We are therefore continuing our plans to support student remote learning at the start of the new term (Monday 20th April 2020). In addition to the on-line timetable and activities that staff are uploading to FireFly we have also planned a set of live webinars for each year group in English, maths and science. Further details to follow, but this will provide students with a different on-line experience, to support their learning whilst school remains closed.

Mr Jim Roberts- Headteacher

I am sure, like me, this has been a very different kind of Easter holiday. I have included again the resources and information that Ms Prentice put together, to help structure and support families over the break. We have also been uploading 'virtual holiday ideas' to our website for students / families to explore. I've put a couple of examples below;

<https://kids.sandiegozoo.org/videos>

<https://oh.larc.nasa.gov/oh/>

Mr Jim Roberts- Headteacher

I hope you are all finding time to rest and relax as best you can.

Best wishes

Jim Roberts, Head Teacher
