10th August 2020

Ready for School – Year 9

Dear Parents and Carers,

As I highlighted in my final letter at the end of term, we have been planning our *Ready for School* programme to support students and families to prepare for the start of the new school year. The programme includes live lessons in specific subjects using the Microsoft TEAMS platform, as well as messages from individual Heads of Year. In addition, we have also organised for our school counsellor, Rose Scott, and Head of Pupil Wellbeing, Lauren Pinney, to deliver several webinars that parents and carers can access to support children who might be worried about returning to school in September.

The details of our Ready for School programme are detailed below.

Head of Year messages

During the week beginning 24th August 2020 and 31st August Mr Agnihotri will be posting a video message on FireFly, to support students in preparing for the start of term.

Parent / Carer wellbeing webinars

The sessions will explore the emotional impact of the past few months, how children and young people might respond to stress differently and discuss practical strategies to support their successful return to school. There will be an opportunity to ask questions directly to school staff and discuss your concerns.

Who's this event for?

Parents, carers and adults who have children returning to school in September.

Where will it be?

This event will take place on Microsoft Teams and details of how to join will be sent 24hours prior to the event.

TEAMS learning sessions

The following learning opportunities have been scheduled to support students returning to school. Some sessions are focused on students that struggled to engage in their remote learning timetable and / or help consolidate learning from last year. In some subjects we have tried to focus the session to support students that were highlighted as RED or AMBER in a particular subject on their end of term summer report.

Whilst not wanting to wish the holidays away, we are looking forward to welcoming back students to school and hope the Ready for School programme will help support their return in September.

Best wishes,

Jim Roberts, Head teacher
