

ENVIRONMENTAL POLICY STATEMENT

Hughes Brothers Building & Joinery Ltd is fully committed to preventing pollution and to complying with all relevant environmental legislation, regulations and other environmental requirements.

Hughes Brothers Building & Joinery Ltd will regularly evaluate the environmental impact of our activities, products and services and we will take action to continually improve our environmental performance by implementing an Environmental Management System that meets the requirements of ISO 14001.

It is the policy of **Hughes Brothers Building & Joinery Ltd** to:

- (a) Minimise the use of energy, water and natural resources
- (b) Minimise waste through prevention, re-use, and, where possible, recycling
- (c) Dispose of waste safely and legally
- (d) Avoid the use of hazardous materials, where practical
- (e) Work with environmentally responsible suppliers
- (f) Prevent environmental damage and minimise nuisance factors such as noise and air pollution

Hughes Brothers Building & Joinery Ltd will define environmental objectives, targets and improvement actions that are related to this policy and to our significant environmental aspects.

Hughes Brothers Building & Joinery Ltd will regularly evaluate progress against these via it's 'Management Review' process.

Hughes Brothers Building & Joinery Ltd is fully committed to providing relevant environmental training and promoting environmental awareness to employees and, where appropriate, to suppliers and to communicating our environmental performance.

Hughes Brothers Building & Joinery Ltd will implement processes to prevent environmental non-conformances and to ensure that we are prepared to deal with potential environmental emergencies.

This policy will be reviewed and, where necessary, updated on an annual basis to take account of organisational priorities and changes, environmental legislation (and other requirements) and best practice.
