At Medley House, we believe that a wedding is a fairy tale and we are here to help you make all your wedding wishes and dreams come true.

Medley House is a Victorian Style landmark estate, built in 1906. Rich in history and heritage, it is set on 4 acres of beautifully landscaped gardens bordering the Royal Oak Golf Course. Our gardens also include various water features, affording stunning photo opportunities in tranquil surroundings with magical sunsets and stunning views .

Medley House has been hosting weddings and special occasions for well over 35 years. Our qualified and experienced team couple creativity with professionalism to help create spectacular weddings and memories that will last a lifetime.

We also understand that planning a wedding can be stressful and financially draining, with all sorts of unexpected costs creeping in. Our specials & packages are therefore designed in such a manner that you can customize your needs according to your individual requirements and budget.

You have found your Prince Charming and await true love's kiss ~ now put your trust in us to plan the first day of your happily ever after.
