FEATURES

NORWEGIAN QUALITY

The reclining mechanism with integrated footrest is made by the largest specialized mechanism supplier in the world. The construction is based on a hard wood and steel frame with IMG's unique molded foam.

UNIQUE COMFORT FUNCTIONS

The IMG Relaxers offer five different built-in functions:

- 360 degree swivel
- Effortless reclining and adjustable back rest angle
- Integrated footrest
- Gliding/rocking function
- Adjustable head and neck support

COLD-CURED MOLDED FOAM

This space age material encases the interior steel frame and sinuous spring, allowing for body-friendly curvature to be covered with glove-fitted upholstery. This guarantees absolute comfort and durability.

POWER OPTION

- One touch power assisted reclining mechanism.
- Multi function, dual motor with lift feature.
- Battery pack with charger to replace wall plug.

WARRANTY

Ten years on frame. Five years on mechanism, molded foam cushions and base. Two years on leather and fabric covers.
