Founded in 1978, Ennis Center works with disadvantaged children and families through foster care, adoption, teenage delinquency prevention programs, and mental health services.

During the 2017/18 fiscal year, our foster care program alone worked with 553 children aged newborn to 19 years old. We also provided the permanency of an adoptive home for 102 children from foster care.

With six locations in southeast Michigan, our services reach over 6,000 children and families annually. Your support allows us to continue helping them see the possibility of a future better than their past.

Please call Ennis Center’s Development Department at 810-233-4031 with questions.

THANK YOU FOR YOUR SUPPORT!

Ennis Center is a 501(c)(3) non-profit organization licensed by the State of Michigan and nationally accredited by the National Council on Accreditation of Services for Families & Children. Contributions are tax-deductible to the amount allowed by law.
