## 13 Actionable Steps to Engage Change Successfully -

1. Develop an immigrants CREDO and utilize every opportunity to position yourself to where you want to be!
2. You will only become the PARENT once you behave like a PARENT and not ask For permission as a CHILD
3. The ultimate Sales person's offensive is WALKAWAY POWER. Use it.
4. If you are serious about helping others, then understand their POINT OF PERSPECTIVE
5. Murphy, who is MURPHY? Where is MURPHY? KILL THE MURPHY! Achieve by Learning succeed by doing and NEVER GET UNFOCUSED ON YOUR MISSION
6. Go back in TIME and seek out a character of your great grandparents homeland and ask yourself how and what would you engage in to get your family to where you want to be...today!
7. Question - Listen - Filter - Clarify - Engage - Learn - Develop
8. Seek out someone who you THINK needs Help - and find out how they HELP you by learning their STRENGTHS.
9. Who are you? What do you do? Who do you do it for? - An exercise in HUMILITY
10. At the end of the day ask yourself, What Intangible Assets produced Tangible Results TODAY?
11. Sit still in a dark room. Sit still with the tv on and volume down. Sit still and write out your emotions.
12. Go create something from scratch and share it with others.
13. Read, Read, Read, Read and READ some more!

*Trusting that this message reaches you in good health!*
