

The Puppet

When I was 16  
I would say  
If you want to see me  
Do my thing  
Pull my string

When I was 20  
I would question  
If you want to see me  
Do my thing  
Build my string

When I was 25  
I would cry  
If someone can help me  
Do my thing  
Find my string

When I was 30  
I was born  
So I could see me  
Do my thing  
And cut my string

When I was 35  
I would note  
If you all would  
Let me do my thing  
I'd have no string

When I am 40  
I will beg  
If I ever get to  
Do my thing  
No one will  
Pull my string
