HOW TO SAFELY DONATE FACE COVERS

HOME FACE COVER MAKERS:

Please wash/dry face covers on high heat before donating. Wash your hands before removing from dryer and place covers directly in new plastic baggies.

AFTER GETTING YOUR DONATED FACE COVERS:

Place directly in washing machine. Immediately dispose of plastic baggie and wash your hands. Wash/dry on high heat settings. Wash your hands before removing from dryer and place in storage bag. Wash after each use.
