## **EMERGENCY ROUTE INFORMATION TO HOSPITALS & CLINICS**

Under Washington State's current Stay Home, Stay Healthy initiative to slow the spread of COVID-19, Island Transit is operating on a reduced Emergency Service Plan to provide public transportation for essential trips only. Accessing hospitals and clinics for health care is considered an essential trip. Below is a list of Island County medical facilities and links to current emergency route information to those locations. Please call these services directly to check on current hours of operation as they may have changed during COVID-19. A reminder that Island Transit's Saturday service is suspended until further notice and service hours have been reduced. Please check the [current route and schedule information on Island Transit's website](#) to plan your trip. For medical emergencies, please call 911 for care and transportation.
