Central Whidbey is Best by Bus!

See Whidbey like a European vacation—with public transit.
Historically rich with breathtaking views, Central Whidbey is the site of the island’s first western settlement. These six locations can be easily reached by bus, Monday through Saturday. So, leave parking and driving hassles behind and help reduce carbon. The bus comes about every 30-to-60 minutes, making it easy to visit Central Whidbey with Island Transit.

Bus stops are easy to locate, or “flag” the bus like a taxi along any regular route. Operators will stop for you, as long as the driver can safely pull off the road and out of traffic. Just wave your hand at the driver and stand back.
