December 2020

EMERGENCY ROUTE INFORMATION TO VETERINARIANS

Under Washington State’s current Stay Home, Stay Healthy initiative to slow the spread of COVID-19, Island Transit is operating on a reduced Emergency Service Plan to provide public transportation for essential trips only. Accessing veterinarians is considered an essential trip. Please remember only service animals and pets in small crates are allowed on the bus. Below is a list of Island County vet facilities and links to current emergency route information to those locations. Please call these services directly to check on current hours of operation as they may have changed during COVID-19. A reminder that Island Transit’s Saturday service is suspended until further notice and service hours have been reduced. Please check the current route and schedule information on Island Transit’s website to plan your trip.

OAK HARBOR

North Whidbey Veterinary Hospital
1020 NE 7th Ave 4, Oak Harbor (360) 679-3772
North Whidbey Veterinary Hospital can be directly accessed by Island Transit’s Route 14 behind the 7-Eleven on 7th Avenue.
