July 2020
MODIFIED ROUTE INFORMATION TO GROCERY STORES

Island Transit is operating on a new Modified Service Plan to provide the community with more access to public transit as Island County advances to Phase 3 of Washington’s Safe Start plan during the COVID-19 pandemic. The Modified Service Plan provides more service than has been available since March, and shifts some resources to high-demand areas to better serve the community.

Below is bus route information to Island County grocery stores with links to current modified schedule information. Please call the grocer directly to check on current hours of operation as they may have changed during COVID-19. Check the current route and schedule information on Island Transit’s website to plan your trip.
