ABOUT THE CONFERENCE

WHY?
C.O.P.S. recognizes that every law enforcement officer is subject to crisis and tragedy throughout their career. These public servants see the most unthinkable acts of criminal behavior in our society. Are we providing assistance to help officers navigate these events over the course of their professional life and beyond?

We continue to see law enforcement suffer from PTSD in growing numbers. Suicide rates have surpassed line of duty deaths to become the biggest threat that police officers face. C.O.P.S. is dedicated to provide education and resources to prevent these statistics.

WHO AND WHAT
This conference offers a much-needed focus on trauma and wellness, proactively addressing the cumulative stressors that can occur throughout an officer’s career. C.O.P.S. invites all active and retired law enforcement officers, peer support, counselors, police chaplains, and spouses/significant others, to attend this weekend of healing, education, networking, and entertainment. You don’t want to miss it!

Exhibit Space Specifications

Exhibitor tables will be located inside the main hallway of the conference center in the Cox Convention Center. This space is located directly outside the conference sessions but not located in a secured area. This will allow for maximum foot traffic throughout the morning and afternoon along with dedicated Explore Exhibitor Times.

Exhibitor space will include:
- One 6’ table with linen and two chairs. Space will not have side or back drapes but will be against the wall.
- Listing as an exhibitor in conference program and conference webpage.
- Exhibitor recognition on conference nametag and registration for two representatives.
- Attendance to all social events, conference meals and sessions you choose to attend.

Aside from general conference hours, special times have been designated for conference attendees to explore exhibitors. These set times occur three times each day of the conference and allow attendees time to explore your organization or business. See page 2 for the specified Explore Exhibitor times.

Exhibitor Bingo

We are excited to announce the return of Exhibitor Blackout Bingo at the conference this year! Blackout Bingo is an initiative to encourage attendees to visit every Exhibitor Booth. Attendees will visit your table, learn about your products, receive a stamp and be entered to win one of the conference grand prizes to be awarded at the closing ceremony of the conference.
