**Product Design**

★ 5.0 Mar 2017

Hiring Ridzert was my first experience with Upwork and it couldn't have gone any better. Ridzert was able to understand my product idea's purpose and functions and came up with truly creative and innovative design ideas. Once one design was chosen, he then made a presentation of the embodiment design that included excellent renderings of the all the parts of the product, clear and concise information about the materials and functions of each part. During the feedback rounds, his attention to det ... more
