Special Requests:

## Lunch

Lunch is generally served whilst we are at anchor. This allows for some swimming and relaxation either before or after. Typically, lunch consists of one or two entrees along with a range of fresh salads, presented 'family style'. However please tell us of anything specific you may like.

Light or Substantial?	Hot or Cold?
Do you like Fruit after Lunch	Sandwiches and Salads?
Separate Dishes for Children?	

Special Requests:

## Dinner

We find that most of our guests like to alternate between taking dinner ashore or onboard. If your plan is to sample the local cuisine, then we will generally serve cocktails and canapes before you go ashore, however if dinner is planned onboard, then we generally prepare either a three or four course meal.

Do you like Spicy Food?	Tea or Coffee after dinner?
Do you always take dessert?	Separate Childrens Dishes
Any foods you don't like	

Special Requests:

## Kids Only

We know that sometimes, children don't enjoy the same tastes as the adults within the charter party. If you would prefer us to prepare separate "Kids Only" dishes, please list them here, along with any specific likes and dislikes.
