Affirmation

2018 – “*The Year of Purpose*”
“*Back to The Prevailing Purpose*”

Because of *Proverbs 19:21*, I boldly declare that **2018** will be “**The Year of PURPOSE!**”

This year I will constantly remember that God indeed has plans to prosper both me and my church, the Liberty Christian Center.

In 2018 God will make plain His prevailing **Purpose** for me and Liberty!

All who shall observe my life this year, will know without a doubt that I love and serve the Lord and support Liberty.

This year, God’s **Purpose** will cause me to ‘**Refocus**’; resetting my life as it reignites both passion and zeal to accomplish God’s will in and through my life.

As I embrace **Purpose**, the Lord shall ‘**Restructure**’ my life and reorganize Liberty to be more equipped and empowered for the work of ministry in this present age.

As a result of fully aligning my life with the Lord’s **Purpose**, I will be postured to help ‘**Recoup**’ lost territory and souls to the Kingdom of God.

This Year of **Purpose** will ‘**Relaunch**’ me physically and spiritually, availing opportunities and positions beyond my qualifications and skillset.

Because I will focus on ‘**Purpose**’, I will not waste time being overly concerned with the ‘**HOW**’.

My hands and heart shall be in alignment with the Lord’s **Purpose** and bless those He places in my life.

My money is an instrument I shall use to demonstrate God’s faithfulness as well as my own trustworthiness.

My mouth is an instrument to decree and declare **Purpose** and to release the supernatural in my life and my church.

My mind is renewed as **Purpose** is reviewed and revived, and I shall overcome every attack of the enemy in every situation.

Therefore, in **2018**, I shall go further spiritually and naturally than I've ever been before as this Year of **Purpose** prospers me, my church family and my spiritual leaders.
