FOLLOWING CHRIST IN THE MODERN WORLD

40-Day Journey Through the Sermon on the Mount

BRIAN BRODERSEN

This sermon of Jesus, found in the book of Matthew, is as relevant and striking in the modern world as it was when the Lord first delivered it. As we take a closer look at what Jesus preached that day on a hillside overlooking the Sea of Galilee, we find a revolutionary message about the Christian life. May this devotional draw you to a deeper understanding of the Christian life as it was meant to be lived—radical and transformational—for the salvation of all and for the glory of God.

CHRISTMAS PLAYLIST

ALISTER BEGG

In this short, winsome book a teenage girl, a respected priest, a group of angels and an old man bring readers to the heart of Christmas, showing them the joy and peace that comes from meeting a baby who lay in the food trough and changed eternity.

If you have time to read one book this December, make sure it is this one. Alistair Begg writes with depth and yet is completely understandable. He will make the real story of Christmas come alive to you.
