

First download VLC Player from her :

<http://www.videolan.org/vlc/index.nl.html>

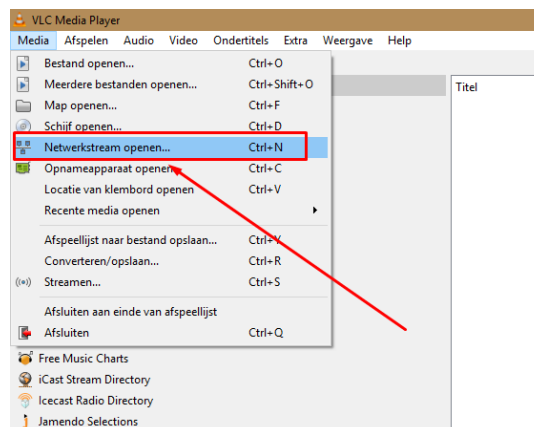

Follow the steps and Install VLC  
when done press on the traffic cone

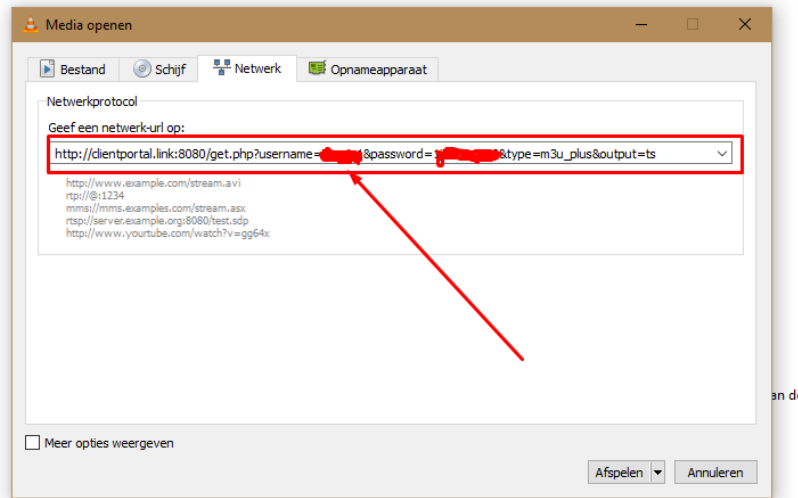

When open press Media

Click on Open network stream

Enter the link given and hit enter.

your list will load, if you press the 3 lines on the bottom

you will see the channel list. you can do 2 things: on the right top corner you can search the channel, or you can scroll through your list

When you select a channel press on the image on the left 2 times to enlarge the picture.

The screenshot displays a TV interface with a channel list on the right and a video player on the left. The channel list includes various Dutch channels, with 'National Geographic HD NL' highlighted in blue. A red arrow points from the highlighted channel to a video player window. The video player shows a scene with three people in a room, with the Dutch subtitle 'Ik wil graag sulfadimethoxine toedienen in hun water.' and a 'NATIONAL GEOGRAPHIC' logo in the top left corner. The video player has a progress bar at the bottom showing '00:00'.
