*The Wage's artists have been making high quality silver products since 1948 when Harold Wage started his business. You can be sure that 69 years of quality and pride is behind every item Wage's makes.*

*The range of designs Wage's offers aren't limited to the few items you see pictured here. The only limit is your imagination. Wage's will hand-craft any item to your specifications, adding your custom logo, initials or any other special design. You won't find Wage's quality anywhere else.*

*Join in our 69 year tradition of excellence in workmanship and make your special awards worth winning.*
