Had a birthday party for our 6 year old and 30 others on Sunday. Roy, Bell & Jack were Brilliant had the kids and Parents enthralled and were brilliant at moving the children to the eating area and then

entertaining them afterwards whilst clean up in the eating area was going on. The birthday boy had a whale of a time as did everyone else.

Thank you so much.

Party on 21st September 2019 at The Belfry

Hi Roy,

I just wanted to say how happy the client was with the party you and your colleagues hosted on Saturday night at The Belfry Hotel. I was worried it would be a challenge due to the large number of children of all ages along with all the other entertainment we had in the room but you all did an amazing job and the children loved it!

Well done and please pass my thanks onto the other members of the team!

Roy, Bell and Jack were fantastic at our daughters 6th Birthday party on 13th July 2019. Kids and adults were all entertained and everyone had a great time. Roy was very funny and Bell's face painting and balloon skills were amazing. They were all very attentive with the kids and everything ran smoothly with Roy keeping us informed of everything that was going to happen prior to the day and on the day. Had not seen them at a party before the day and was only going by recommendations on facebook but cannot praise them highly enough and would totally recommend them.
