

# Registered N.R.I LGV Instructor

**Apex Training Centres (UK) LTD is accredited as a National Register of LGV Instructors Accredited Centre based in Peterborough Cambridgeshire.**

The DVSA has changed the way the LGV register of instructors is organised.

It is now managed by RTITB (industry-led body) which allows DVSA to concentrate on driving test supply needs.

We can help you become a qualified LGV Instructor and join the register for the recognised NRI. We offer a choice of training programmes.

Choose the appropriate course according to your existing skills and qualifications. Training is conducted at our fully integrated Test Centre.

Training fees include a fully equipped training vehicle (either C or C+E ) with a fully qualified, experienced instructor. Training is arranged on a 1 to 1 or 2 to 1 basis, depending on the type of course and qualifications you hold.

A duration of 4 to 8 hours per day is allocated for training, depending on experience and qualification held. Also, number of candidates.
