SENTINEL PEAK BREWERY

TUCSON, AZ

SALIDA DEL SOL

Style: Mexican Vienna

Alc/Vol: 5.2%

IBU: 22

Hop Variety: Tettnager

Description

A Mexican-style Vienna, the Salida del Sol Amber was inspired by that moment when the harried bustle of the day melts into the relaxing stillness of a desert evening. In the mid 19th century, German brewers immigrating to Mexico brought along with them their time-honored recipes and techniques. By incorporating local ingredients, the traditional European flavors were transformed into something entirely new and wonderful. Salida del Sol follows in this grand tradition of smooth, spicy beers.
