Frameless

PASPALEY PEARLING Co. New offices in Darwin, NT

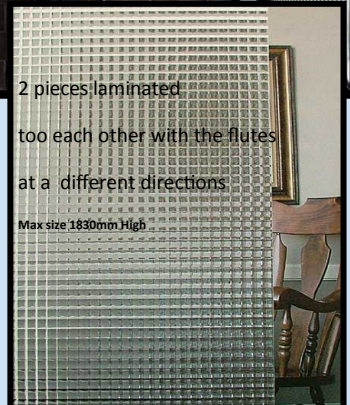

5mm Narrow Reeded laminated to
6.38mm laminated glass

The problem was that the Narrow
Reeded only came 2440mm high &
the ceiling height was 2900mm high

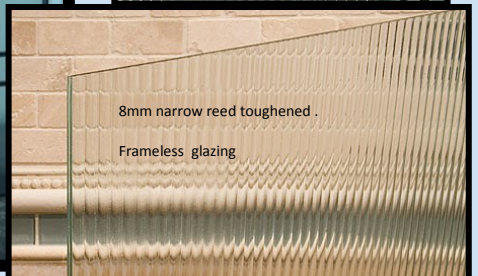

So it had to be split into two pieces

With the horizontal mullion hiding
the joint

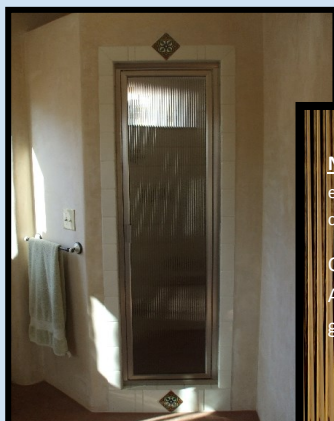

2 pieces laminated
too each other with the flutes
at a different directions

Max size 1830mm High

8mm narrow reed toughened .
Frameless glazing

Narrow Reeded can be laminat-
ed to coloured float glass. In this
case it is laminated to 5mm bronze.

Other Colour: Grey, Green,
Azurelite Blue & Acid etched
glass.

Colour backed to smooth face

REEDED REFLECTIVE GLASS

Used for bars, cladding &
Feature walls

Comes in a range of colours
