Please make every effort to have the health history and medication form included completed by your family physician/health group and brought with you to register your child for camp. You do NOT need to get a physical for camp. Most of the time, if your child has seen the doctor in the past year, you can drop the form off and they will fill it out without an appointment. If you are having difficulty completing the forms, please call the camp director. All medications will be given to the nurse on Sunday.

Congratulations on having ___________________ accepted for a camping experience at the Madison Co Children's Camp. The camp is located on Route 26, one mile south of West Eaton, between Hatch Lake and West Eaton. The physical address is 2112 Wheler Drive, Eaton, NY 13334. You will see a large sign identifying our camp. Follow the dirt road to the Main Building.
