Annex B, of CITES

This Certificate is to confirm the specimen listed below was bred or legally imported into the UK under CITES regulations

Common Name: Horsfields Tortoise
Scientific Name: Testudo horsfieldii

Country of Origin: Uzbekistan
Country of Import: UK

Source: "C" = Captive bred
Year Hatched: 2016

Export CITES Permit No: 003429
Date Issued: 11/11/2016
Import CITES Permit No: 550523/01
Date Issued: 08/012/2016
Date of Import: 25/01/2017

Comments:

This Certificate of Legal Acquisition should be kept in a safe place.

If the specimen was to be taken/exported out of the UK the above information will be required to obtain an Export CITES Permit by Law.

Certificates are not legally required by our management authorities { APHA } for Annex B Appendix 11 Species for sale in the UK, however Legislation can change over time. A receipt from the seller should also be attached to this Certificate as proof of purchase.

If the specimen is sold, both Certificate and receipt should be passed on.

Date: 25/01/2017
