MAKING A DIFFERENCE...

For 30 years, Operation Classroom Inc. has partnered with the United Methodist Churches of Liberia and Sierra Leone to improve Secondary Education.

OCI has provided thousands of scholarships (allowing students who would otherwise be unable to attend school to get an education).

We’ve shipped over 100 containers of school and medical supplies to these two countries, and we’ve sponsored Volunteer in Mission Teams that have provided the opportunity for hundreds and hundreds of Hoosiers (and folks from other states as well) to have “hands-on” experience in mission.

The Taiama Enterprise Academy

The Purpose of the Taiama Enterprise Academy is to provide young men and women in West Africa with the knowledge, skills, and perspective needed to provide for themselves, their families, and their communities.

The concept behind the “African Enterprise Academies (of which The TEA – The Taiama Enterprise Academy is the “pilot project”), is a unique educational program that, in the words of Ernest Dhomahima, Vice Chancellor of Nuala University, “has the potential to change the face of a nation.”

VOLUNTEER...

You can volunteer with OCI in a variety of ways. You can go to West Africa (either Liberia or Sierra Leone) as part of a VIM (Volunteers in Mission) Team, or you can volunteer right here in Indiana.
